2017 Chevrolet Bolt EV Review & Ratings | Edmunds

The Chevrolet Bolt or Chevrolet Bolt EV is a front-motor, five-door all-electric subcompact hatchback marketed by Chevrolet; developed and manufactured in partnership with LG Corporation. A rebadged European variant was sold as the Opel Ampera-e in mainland Europe, but after Opel and Vauxhall were sold to the PSA Group in 2017, European deliveries were limited to a level below demand, and some customers discouraged by the increased price and waiting times of almost two years, with Opel telling d
