A City Through Time
In the bestselling A City Through Time, readers are invited to follow the progress of an imaginary city through six key periods of time, each captured by a scene of the city and zooming in on key buildings like a Roman bathhouse, medieval castle, and a modern skyscraper. Illustrations by award-winning artist Steve Noon provide a unique history of city life, transporting readers from an early Greek settlement to an industrial metropolis, while pull-outs surrounding the illustrations introduce ...

I bought "A City Through Time" for a six year old. I was afraid that it was too advanced for his age when I received it, but his mother says it is a hit. :) They go through it a page at a time with him and he soaks it up like a sponge. Great book. An excellent way to introduce a child to the concepts of time and history.
