had firsthand experience of the Soviet offensives in the summer of 1944 and January 1945. While fighting in East Prussia, he was captured by the Soviets and not released until 1947. Schedierbauer was only twenty-one years old when the war ended, and his memoir recollects the experiences he went through as a young man on the front.

At no time in human history have we been more disconnected with what lies outside our front doors. Within just a century, our relationship with our surroundings has transformed from one of exploration to one of disassociation. In This Book Was a Tree, science teacher Marcie Cuff issues a call for a new era of pioneers—not leathery, backwoods deerskin-wearing salt pork and

hominy pioneers, but strong-minded, clever, crafty, mudpie-making, fort-building individuals committed to examining the natural world and deciphering nature ' s perplexing puzzles. Within each chapter, readers will discover a principle for reconnecting with the natural world around them, from learning to be still to discovering the importance of giving back. With a mix of science and hands-on crafts and activities, readers will be encouraged to brainstorm, imagine, and understand the world as inventive scientists—to touch, collect, document, sketch, decode, analyze, experiment, unravel, interpret, compare, and reflect.

J.M. Barrie's classic character, Captain Hook, from his days at Eton to his voyages on the high sea.

“ What you have loved remains yours. ” Thus speaks the irresistible rogue Sindbad, ironic hero of these fantastic tales, who has seduced and abandoned countless women over the course of centuries but never lost one, for he returns to visit them all—ladies, actresses, housemaids—in his memories and dreams. From the bustling streets of Budapest to small provincial towns where nothing ever seems to change, this ghostly Lothario encounters his old flames wherever he goes: along the banks of the Danube; under windows where they once courted; in churches and in

graveyards, where Eros and Thanatos tryst. Lies, bad behavior, and fickleness of all kinds are forgiven, and love is reaffirmed as the only thing worth persevering for, weeping for, and living for. The Adventures of Sindbad is the Hungarian master Gyula Krúdy ' s most famous book, an uncanny evocation of the autumn of the Hapsburg Empire that is enormously popular not only in Hungary but throughout Eastern Europe.

The "utterly compelling, uncommonly beautiful" collection of personal essays (Newsweek) that established Jo Ann Beard as one of the leading writers of her generation. Cousins, mothers, sisters, dolls, dogs, best friends: these are the fixed points in Jo Ann Beard's universe, the

constants that remain when the boys of her youth -- and then men who replace them -- are gone. This widely praised collection of autobiographical essays summons back, with astonishing grace and power, moments of childhood epiphany as well as the cataclysms of adult life: betrayal, divorce, death. The Boys of My Youth heralded the arrival of an immensely gifted and influential writer and its essays remain surprising, original, and affecting today. "A luminous, funny, heartbreaking book of essays about life and its defining moments."

Some say that the first hints that Bill Bryson was not of Planet Earth came from his discovery, at the age of six, of a woollen jersey of rare fineness. Across the moth-holed chest was a golden thunderbolt. It may have looked like an old college football sweater, but young Bryson knew better. It was obviously the Sacred Jersey of Zap, and proved that he had been placed with this innocuous family in the middle of America to fly, become invisible, shoot guns out of people ' s hands from a distance, and wear his underpants over his jeans in the manner of Superman. Bill Bryson ' s first travel book opened with the immortal line, " I come from Des Moines. Somebody had to. " In this hilarious new memoir, he travels back to explore the kid he once was and the weird and wonderful world of
