The book I read was (After Summer) by Hailey Abbott. This book is the third one of the Summer Boys series. And from the 3 books I've read, I got the impression that the girls change boys as often as they change their clothes and are all about the drama. I have to say, after reading the third book I wasn't so impressed.

The weather may be cooler, but things are hotter than ever in this yummy third installment of the NEW YORK TIMES bestselling SUMMER BOYS series! As the leaves turn golden, everyone's favorite beach girls are dealing with romantic dramas in their respective hometowns. Tomboy Beth is worried that her true love, George, is changing -- and not for the best. Meanwhile, naughty Ella meets a boy at school who is (gasp!) an even bigger flirt than she is. College girl Kelsi hates how her boyfriend treats her differently around his frat posse. And shy dreamer Jamie falls hard for a pompous trust fund boy at her posh boarding school. Everything comes to a head at an eventful Thanksgiving, and the four cousins come away wiser about life and love.

For use in schools and libraries only. An Australian teenager feels bored while vacationing at his mother's beach house, and is worried about passing his final examinations until he meets an attractive local girl.

From the creators of GOSSIP GIRL comes a fresh, edgy take on teenage romance. Three interconnected stories explore the different stages of love over the course of one summer on the seashore. It's summer. It's hot. And it's time to hook up. Cousins Ella, Beth, and Jamie are at their family's beach house, and they're gearing up for the wildest time of their lives. Sassy Ella is majorly crushing on a cute older boy -- who just happens to be her sister's new boyfriend. Meanwhile, practical Beth is surprised when she finds herself falling for her best friend George. And shy, creative Jamie gets her heart broken when her summer love abandons her. Three girls, too many boys, and some seriously stormy romances...it all adds up to one unforgettable summer.

The sweet, smart, and sexy final installment in the New York Times bestselling series. It's the last summer at Pebble Beach before everyone goes off to college. George and Beth are no longer together, but will they make up before Beth heads off to (oh, the irony) GEORGETown? Kelsi has a new college boy around for the summer, but can he make her pulse flutter the way Tim used to? Meanwhile, Ella runs into a dangerous blast from the past...can she resist him? Between sipping homemade margaritas by the shore, and helping each other through their romantic woes, the Tuttle girls might just make this the craziest, sweetest, most unforgettable summer ever.

How to Run a Resort: Make ure employees arrive on time with a positive attitude. (check) Remember that the customer is always ight. (check) Keep your boyfriend and your most valuable guest from trying to kill each other. (oops) Celeste Tippen can't imagine a more perfect summer. Her boyfriend, Travis, has a job at her family's resort, which means lots of quality couple time. Unfortunately, she forgot about Nick Saunders, the hot son of the resort's wealthiest customers. Every year, Nick flirts with Celeste, and apparently this year is no different, despite the boyfriend who's watching their every move. She assures Travis that hanging out with the resident bad boy is the last thing she wants to do. If only she believed that herself. . . .

The uneasy balance between these worlds is shattered when Starr witnesses the fatal shooting of her childhood best friend Khalil at the hands of a police officer. Khalil was unarmed. Soon afterward, his death is a national headline. Some are calling him a thug, maybe even a drug dealer and a gangbanger. Protesters are taking to the streets in Khalil's name. Some cops and the local drug lord try to intimidate Starr and her family. What everyone wants to know is: what really went down that night? And the only person alive who can answer that is Starr. But what Starr does—or does not—say could upend her community. It could also endanger her life. Want more of Garden Heights? Catch Maverick and Seven's story in Concrete Rose, Angie Thomas's powerful prequel to The Hate U Give.

Things are heating up again. Can you handle it? The SUMMER BOYS girls are back for another dose of sizzling drama. And what's happening with Jamie on her summer writing program? Find out all this—and much more—in this sexy sequel.

Cousins Jessica, Lara, and Greer, aged fifteen to sixteen, approach their family summer at a Maine beach cottage with very different attitudes, but all look forward to meeting new boys and having some fun.

How to Date Like a Guy: 1. Flirt constantly. 2. Keep your options open. 3. Don't get attached. Cassie and her two best friends, Greta and Keagan, are so over boyfriends. But just because the girls are anti-boyfriend doesn't mean they're anti-boy. So they make a pact for the summer: They'll each kiss ten different guys before school starts/no commitments, no drama, just fun. Sounds easy enough. Then Cassie meets the perfect guy (nine boys too soon), and the pact starts to seem like a terrible idea. Not to mention Boy Number One turns out to be her best friend's ex. Ugh.Cassie's summer just went from carefree to complicated faster than she can say "heartbreaker."
