The Moorish Science Temple of America draws its power and authority from the Great Koran of Mohammed. We have it, meaning the Koran of Mohammed, as the revealed word of Godwhom we refer to at times by the name of Allah. This falls under natural law. This is proven in chapter 47 verses 9-11 where Prophet Noble Drew Ali informs us:

MOORISH SCIENCE - adepthought

The holy book that Moorish-Americans study is the Holy Koran of the Moorish Science Temple of America, which is united with the Holy Koran of Mecca. Members of the Moorish Science Temple of America honor all of the sacred books that Allah sent to man though His Prophets. Moors are taught to honor man, because when they honor man, they honor Allah.

What is the S.E.L.F.? The S.E.L.F. is the sacred eternal life force, which is the spark that in turn gives birth to the SOUL, which is the space of unlimited light. There is no man above or beneath in essence, however, there are those great Avatars who willingly descend into this Third Density for a Five-Fold Purpose: To Elevate, To Protect, To Inform, To Uplift, and To Inspire. This work was compiled for the sole purpose of helping cleanse the “ Throne of God. ” which is your consciousness that is housed and functions via your beautiful Mind, Body, and Soul. This is not an attempt to convince or condemn anyone nor anything, except the falsehood which are the results of lower-self vibratory frequency. Love cannot be destroyed, Truth cannot be hidden, Peace cannot be disturbed, Freedom won ’ t be caged, and Justice finds All. Wa Alaikum As Salaam and Honors to the Prophet, Sheik Shariff Abdul Ali. Islam.

This book is a three-year project. This is a collection of letters left to the Cook-Bey descendants of Gilbert and Marie Cook-Bey. It begins with some background on slavery, the slave trade, laws that made it legal, and the two mental giants who organized great organizations for the betterment of the African in America. The book is a tribute to the legacy and leadership of Noble Drew Ali. It details the circumstances, conditions, and atmosphere which created the movement. While there have been authors who attempted to write about Prophet Noble Drew Ali, this book is unique because it is from the perspective of missionaries of the prophet who helped pioneer the movement.

"Lucinda's character has proven this book to be an excellent tool for those who need to realize that the power of prayer is available in every midnight situation." Rev. ChristiLene Whalen-Weaver. Pastor A. K. Quinn African Methodist Episcopal Church Moreno Valley, California "A good testimonial novel that is a must-have for all ministries and serious self-help readers." Rev. Ernest A. Miller McCoy Memorial Baptist Church Los Angeles, California "The characters, sermons, and scriptures used in this story are thought provoking and appropriate. Overall, I found this book to be a page-turner." Shirley Streeter, Educator Member of "Go On Girl Book Club" Moreno Valley, California Lucinda Duncan is possessed by a curse of promiscuity and is in the fight of her life. Her husband is incarcerated for assaulting her. When she is alone at night, the spirit of her childhood sexual abuser and his imps torment her. In a desperate quest for salvation, Lucinda joins a Christian counseling workshop and encounters a cohesive group haunted by various demons. There are carnal, the exorcising of evil spirits, and vigorous edifying praise scenes. The author has written an enthralling tale of a holy war between Satan and Jesus Christ.

This book is an interview of Elijah Muhammad explaining his initial encounter with his teacher, Master Fard Muhammad and how his messengership came about. The subjects discussed are Master Fard Muhammad's whereabouts, the races and what makes a devil and satan. He answers questions dealing the concept of divine and how ideas are perfected. More basic subjects include Malcolm X, Noble Drew Ali, C. Eric Lincoln, Udom, and a comprehensive range of information.

History books are for those that want to learn about the people that cared enough about America to write about the United States so others could read about one of the most interesting places on this earth.

This book is based on the theory that the black Muslim movement was created from the knowledge of the Masonic order. In the early decades of the 20th century, noble drew ali established a political and religious organization known today as the Moorish Science Temple of America. It was this organization that exposed black to something other than the normal Christian influences of that day. Ali a high degree freemason, incorporated various Masonic teachings from an auxiliary group. Known as the AEAONMS ancient Egyptian Arabic order of noble of the mystic shrine A pseudo Islamic/Arabic oriental organization that served as a wake up call to a lost knowledge. A knowledge that was taken away from Africans during the slave trades. The theory behind this book is that the majority of the slaves that were taken from the west coast of Africa were practicing Muslims, and these Muslims were forced to convert to Christianity under the strong oppression of slavery. At one time Afro-Americans were the biggest minority in the American society. About 90% of the todays population of blacks are descendants of slaves that were brought to America for working on plantations since the 16th century. At the beginning of the 19th century most of the so-called Negroes lived in the plantation areas of the Southern States. After the Civil War and the abolition of slavery it wasnt until the early 1920s and 30s that blacks were beginning to experiment with other faiths. Of all the faiths Islam became the fastest growing religion and the most popular. This book by far is in no way a research into black history, instead it covers a more deeper aspect of history in which I call the history behind the history. It explores the true Asiatic origins of the ancient religions of Hinduism, Buddhism well as the Islamic faith. Finally It explores the Masonic symbolisms of alis Moorish science dogma digging deeper into the esoteric side of his Aquarian/Masonic teaching explaining their origins and discovering an age old wisdom that had been kept hidden from the human eye. One would think that Africans in the Americas would have rejected the religious tradition of their European oppressors taking into consideration that African religions are far older & they possess more sources of knowledge & spiritual salvation. Yet there are those who have turned away from traditional Christian dominated environments in order to find a greater understanding of themselves and the world in which they live. One alternative has been to seek knowledge in the various religious groups that arose in the 20th century.
