The annual

Access Free An Open Source

Conferences bring together leading research experts and professionals from all over the globe. Thus, EGOV 2003 in Prague built on the achievements of the 1st EGOV Conference (Aix-en-Provence, 2002), which provided an illustrative overview of e-Government

Access Free An Open Source

activities. This year the interest even increased: nearly 100 contributions, and authors coming from 34 countries. In this way EGOV Conference 2003 was a reunion for professionals from all over the globe. EGOV 2003 brought some changes in the outline and structure

Access Free An Open Source

of the conference. In line with the broadening of the field and a growing number of submissions it became necessary to decentralize the reviewing process. So reviewing was done via stream chairs who deserve high praise for their dedicated work. In addition, a workshop part was
