Anti-Matter: Michel Houellebecq and Depressive Realism by

...

The inspiration for this essay, and its principal focus, is the French author Michel Houellebecq. Anti-Matter could be described as a piece of extended literary criticism, and that would be sort of right, but it would be more exact to say it uses Houellebecq ' s novels as a basis for thinking about pessimism and how it relates to honesty, how novelists justify their work, what people think art is for, and philosophical materialism, amongst other things.

Anti Matter Michel Houellebecq And Depressive Realism
[EPUB]

Anti-Matter: Michel Houellebecq and Depressive Realism by Ben Jeffery, Zero Books (2011) It can be hard to keep French writer-provocateur Michel Houellebecq ' s novels straight in one ' s head. Like Haruki Murakami — in some ways his gentler (and far more gifted) Japanese counterpart — Houellebecq writes about the sulky crises of middle-aged male protagonists confronting existential superfluity while dealing with the destabilizing presence of alternately willing and withholding nubile.
