This title is a Pearson Global Edition. The Editorial team at Pearson has worked closely with educators around the world to include content, which is especially relevant to students outside the United States. For core courses in auditing. An integrated, up-to-date approach to auditing and assurance services Comprehensive and up-to-date, including discussion of new standards, codes, and concepts, Auditing and Assurance Services: An Integrated Approach, 17th Edition presents an integrated approach to auditing that details the process from start to finish. Based on the authors' belief that the fundamental concepts of auditing center on the nature and amount of evidence that auditors should gather in specific engagements, the text's primary objective is to illustrate auditing concepts using practical examples and real-world settings. Using key real audit decisions as their foundation, students can successfully conduct an audit according to a financial reporting framework. Pearson MyLab Accounting is not included. Students, if Pearson MyLab Accounting is a recommended/mandatory component of the course, please ask your instructor for the correct ISBN. Pearson MyLab Accounting should only be purchased when required by an instructor. Instructors, contact your Pearson representative for more information. Reach every student by pairing this text with Pearson MyLab Accounting MyLab(tm) is the teaching and

# Get Free Arens Auditing Solutions

learning platform that empowers you to reach every student. By combining trusted author content with digital tools and a flexible platform, MyLab personalizes the learning experience and improves results for each student.

This innovative, easy-to-understand best-seller offers complete coverage of the entire audit process, taking learners step-by-step through each audit cycle, then showing how each step relates to the process as a whole. A five-part organization covers the auditing profession, the audit process, application of the audit process to the sales and collection cycle, application of the audit process to other cycles, and completing the audit. For individuals and firms in need of information on the latest audit technology, current audit practices, and the latest auditing research.

**ALERT:** Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Directed primarily toward Accounting college/university majors, this text also provides
