“ A lighthearted, clever send-up of zany horror conventions, this book is just the thing for kids about ready for M. T. Anderson ’ s Whales on Stilts. ” —Booklist When Jules and Kevin Rockman ’ s parents drop them off at Camp Whatsitooya on their way to an International Spamathon, the twins expect a summer of marshmallows, campfires, and canoe trips. What they do not expect is to defend the earth from an invasion of sugar-addicted, murderous, seven-foot-tall rabbits from another galaxy. Happily, the Rockman twins, veteran watchers of the Late, Late, Late Creepy Show for Insomniacs, are unusually well-prepared for dealing with monstrous beings from outer space. If only their fellow campers were so lucky. Andrea Beaty, New York Times –bestselling author of several very funny picture books and a mystery novel, here reaches new heights of hilarity and verbal dexterity in a novel sure to become a camp—ba-dum-dum—classic. “ Beaty ’ s tale of high silliness is sure to please, and it ’ s dotted with Santat ’ s mini-comics and spot illustrations, which move the story along. ” —Kirkus Reviews “ Beaty ’ s storytelling is lighthearted and fast-paced. . . her unconventional and entertaining narrative make it a wholly fun read. ” —Publishers Weekly

At Camp Whatsitooya, twins Jules and Kevin and new friend Nelson face off against large, rabbit-like creatures from the Mallow Galaxy who thrive on sugar, but are not above hypnotizing and eating human campers.

“ Armageddon-averting fun for fans of Jon Scieszka ’ s Spaceheadz and M.T. Anderson ’ s Pals in Peril ” —from the author of Attack of the Fluffy Bunnies (Kirkus Reviews). When film-loving twins Jules and Kevin Rockman left their summer camp, they thought their days of fighting evil bunnies from outer space were over. Surely there won ’ t be giant rabbits bent on world domination at their school, right? Wrong. Luckily, these bunnies aren ’ t FLUFFS (Fierce, Large, Ugly, and Ferocious Furballs)—sugar-addicted giant rabbits out to hypnotize and kill. Unluckily, they ’ re worse: the FOOFS (Fierce, Obnoxious, Odoriferous Furballs)—seemingly normal-size rabbits (with extra-large noses) out to take over the world! Can Jules and Kevin save themselves, and their school, from the Schnoz of Doom? Seriously funny New York Times –bestselling author Andrea Beaty raises the stakes in this sequel to her zany, pulpy sci-fi farce. And, not to use Famous Last Words, but with illustrations by Caldecott-winning artist Dan Santat (The Adventures of Beekle, Crankenstein), what could possibly go wrong? Praise for Attack of the Fluffy Bunnies “ A lighthearted, clever send-up of zany horror conventions, this book is just the thing for kids about ready for M. T. Anderson ’ s Whales on Stilts. ” —Booklist “ Beaty ’ s storytelling is lighthearted and fast-paced. . . her unconventional and entertaining narrative make it a wholly fun read. ” —Publishers Weekly

In a three-story house with a shop down below, lived the worlds finest hat maker, Madame Chapeau. Like the Lady herself, all her hats were refined. Brilliantly singular. One of a kind. So begins the tale of a lonely hat maker who matches customers to the perfect hat but lacks her own perfect match in life. Once a year, on her birthday, Madame Chapeau ventures out in her favorite bonnet to dinner. This time, a crow snatches her hat and flies away. Mon dieu! As she chases the crow through the streets of Paris, a baker, a policeman, a cowboy, and others offer her their own hats to wear. None of them are quite right, though, until one special little girl offers her a hat "knitted with love and [her] best birthday wish." From the bestselling team behind Iggy Peck, Architect and Rosie Revere, Engineer comes this delightful and very stylish story about love, community, and friendship, with some fancy hats thrown in for good measure. Praise for Happy Birthday, Madame Chapeau "Beaty carries the bounces and lilts to the very last page. Roberts' colorful, exaggerated hats (many of which are modeled on real designs) whimsically adorn the multicultural Parisian public." --Kirkus Reviews

Robbie Darko is a magician. An old-school, pull-a-rabbit-out-of-your-hat-style magician. Robbie loves magic and he ’ s good at it—sort of. Despite his best efforts, passion, and practice, something always goes wrong with his tricks, landing Robbie in trouble. Enter crotchety Grandma Melvyn, who calls everyone “ Trixie ” and complains about everything. When Grandma Melvyn moves in and takes over his room, Robbie discovers that she was once an internationally renowned magician and learns about the heartache that turned her into a bitter woman. Against all odds, Robbie and Grandma Melvyn form an uneasy alliance to show the world—or at least the kids of Hobson Elementary School—that he is a true magician. Shortly after a successful talent show, Grandma Melvyn performs a final disappearing act, and Robbie learns a little about the true meaning of magic. Written with pitch-perfect middle-grade humor and unforgettable characters, this gem of a novel will stay with readers long after Dorko the Magnificent has taken his final bow. Praise for Dorko the Magnificent "A young would-be magician gets lessons in both stagecraft and life from a crusty elder... the supporting characters steal the show." —Kirkus Reviews "Short chapters keep the story moving. Robbie has impressive determination, but it is Grandma Melvyn who is the star in this moving story." —Booklist "Satisfying and enjoyable, Dorko will engage reluctant and voracious readers alike." —School Library Journal " A thoroughly likable middle-grade novel, offering a blend of poignancy and giggle-worthy humor, this book is a solid back-to-school read." —The Bulletin of the Center for Children’s Books "Literature circles would work well with this title that deals with alienation, friendship, family, reconciliation, and death." —Library Media Connection

Summer camp for twins Jules and Kevin Rockman will never be the same after they attempt to thwart an alien invasion of sugar-addicted, murderous, seven-foot-tall rabbits from another galaxy.

Now in paperback! Lily has read every Nancy Drew book in the library. She ’ s great at spying clues and keeping secrets. She has to be. She has secrets of her own that no one can ever find out. When summer brings lying, stealing Tinny Bridges to town, Lily must depend on her own wits to keep ahead of this sly newcomer. Tinny takes candy from the general store and blames Lily. She tries to steal Lily ’ s friends and even her father ’ s affection. Worst of all, she seems to know Lily ’ s secret. When Tinny goes missing, only Lily has an idea what happened to her. But for Lily, finding Tinny means confronting her hidden past. With its taut-pacing and lyrical writing, Andrea Beaty ’ s critically acclaimed mystery has been hailed as “ the kind of satisfying read that summer is all about ” (School Library Journal). Praise for Cicada Summer “ One part memory, one part mystery, and a generous dose of atmosphere make this the kind of satisfying read that Summer Reading is all about. ” —School Library Journal “ Beaty weaves elements from Lily ’ s favorite Nancy Drew stories together with a moving picture of a child. . . ” —Kirkus “ Written with clarity and fine attention to craft, this accessible novel reveals the secret in Lily ’ s past just as she reaches out to solve the mystery. ” —Booklist

Burning toast, a sizzling sidewalk, volcanoes erupting at a science fair... Danger lurks everywhere, and not a firefighter to be found. Ted knows it is time to become Firefighter Ted. It ’ s the least a helpful bear can do. In this eBook with audio, the adorable Ted takes on an important job with imaginative flair.

An uplifting story about the power of art, finding your voice, and telling your story even when you 're out of step with your peers from the #1 bestselling creators of Sofia Valdez, Future Prez and Ada Twist, Scientist! Aaron Slater loves listening to stories and dreams of one day writing them himself. But when it comes to reading, the letters just look like squiggles to him, and it soon becomes clear he struggles more than his peers. When his teacher asks each child in the class to write a story, Aaron can 't get a single word down. He is sure his dream of being a storyteller is out of reach . . . until inspiration strikes, and Aaron finds a way to spin a tale in a way that is uniquely his. Printed with a dyslexia-friendly font, Aaron Slater, Illustrator tells the empowering story of a boy with dyslexia who discovers that his learning disability may inform who he is, but it does not define who he is, and that there are many ways to be a gifted communicator. Follow Iggy Peck, Rosie Revere, Ada Twist, Sofia Valdez, and Aaron Slater on all of their adventures! Add the picture books, chapter books, and activity books starring The Questioners by Andrea Beaty and David Roberts to your family library today.

New York Times Bestseller Rosie may seem quiet during the day, but at night she 's a brilliant inventor of gizmos and gadgets who dreams of becoming a great engineer. When her great-great-aunt Rose (Rosie the Riveter) comes for a visit and mentions her one unfinished goal—to fly—Rosie sets to work building a contraption to make her aunt 's dream come true. But when her contraption doesn 't fly but rather hovers for a moment and then crashes, Rosie deems the invention a failure. On the contrary, Aunt Rose insists that Rosie 's contraption was a raging success: you can only truly fail, she explains, if you quit. From the powerhouse author-illustrator team of Iggy Peck, Architect comes Rosie Revere, Engineer, another charming, witty picture book about believing in yourself and pursuing your passion. Ada Twist, Scientist, the companion picture book featuring the next kid from Iggy Peck's class, is available in September 2016!--?xml:namespace prefix = o ns = "urn:schemas-microsoft-com:office:office" /-- Praise for Rosie Revere, Engineer"Comically detailed mixed-media illustrations that keep the mood light and emphasize Rosie 's creativity at every turn."—Publishers Weekly "The detritus of Rosie 's collections is fascinating, from broken dolls and stuffed animals to nails, tools, pencils, old lamps and possibly an erector set. And cheddar-cheese spray." —Kirkus Reviews "This celebration of creativity and perseverance is told through rhyming text, which gives momentum and steady pacing to a story, consistent with the celebration of its heroine, Rosie. She 's an imaginative thinker who hides her light under a bushel (well, really, the bed) after being laughed at for one of her inventions." —Booklist Award 2013 Parents' Choice Award - GOLD 2014 Amelia Bloomer Project List ReadBoston's Best Read Aloud Book
