Transports students beyond the classroom on an exciting journey through the diverse Spanish-speaking world. The perfect blend of culture, instruction and interaction enables and motivates students to succeed. Units are built around countries and cities. Relevant instruction is based on multi-tiered differentiation in presentation, practice, and assessments.

Avancemos was developed as a result of extensive research with practicing Spanish teachers from throughout the United States. Based on this research, Avancemos integrates culture as a cornerstone for meaningful communication in Spanish; provides practice with a purpose by setting clear learning goals, providing frequent self-checks, and offering leveled practice activities; encourages language learning that lasts by teaching manageable chunks of language, and providing frequent recycling and review within each lesson, as well as at the end of each lesson and unit. - Publisher.

[This is] a source collection that traces the course of human history from the rise of the earliest civilizations to the present. [This book] follows the evolution of cultures that most significantly influenced the history of the world from around 3500 B.C.E. to 1700 C.E., with emphasis on the development of the major social, religious, intellectual, and political traditions of the societies that flourished in Eurasia and Africa. -Pref.
