poetic image and ingenious incident, conveyed in supple metropolitan language and slang that never smacks of the artificial or forced. His heroes possess a good deal of self-irony.

Beatles (Kim Karlsen Trilogy, #1) by Lars Saabye Christensen

Although Lars Saabye Christensen focuses on four teenaged boys growing up in Oslo in the 1960's, it is easy for the readers to identify with the people as well as the situations. The narrator, Kim, and his three best friends find a strong connection to the group The Beatles, and each name themselves after the members of the group.

They were born in 1951, and the story starts with the first wave of Beatlemania in Norway, in the spring of 1965. Each chapter takes a different Beatle song (or, near the end, post-Beatles solo song) as its title and theme -- all the way through the winter of 1972 --, but Christensen doesn't go completely overboard with this.
