Before She Was Mine is an affectionate and touching look at twenty-three year old Freya, who is torn between her fun-loving biological mother, Melody, and her adoptive and literal Earth mother, Liv. When both suffer a crisis at the same time, Freya is torn between wanting to do the best for both of them, whilst being unable to split herself in two.

Amelia Wilde usually writes fun, fluffy, light-hearted rom-com. Before She Was Mine is a departure from that comedic trope and deals with the serious issue of PTSD. This is a second chance/brother's (former) best friend romance. Summer has crushed on her big brother's best friend, Dayton, since she was 8 years old.

I especially enjoyed reading " Before She Was Mine ". It is a really enjoyable, interesting book with a well written storyline that pulled me in and kept me engrossed from start to finish. I loved the chemistry between the characters Dayton & Summer and also the way they interacted with each other. They really make this a page turner.

BEFORE SHE WAS MINE. By Amelia Wilde . Rating: 5 out of 5 stars . Summary: Amelia Wilde presents the captivating story of a damaged war hero and the one woman he was never supposed to love... *AMAZON TOP 100 BESTSELLER* Don ' t look. Don ' t touch. Those were the rules. It took one heartbeat to fall in love with my best friend ' s little sister.

Summer was mine once. I ' d kill for a second chance. I was never allowed to love Summer Sullivan. I loved her anyway. I wasn ' t allowed to kiss her. I kissed her anyway. And then I took her heart in my hands and crushed it. Leaving her behind to go to war was unforgivable. I survived—barely. After what I did to her, I deserve to be a broken man with a broken body. I never expected to see her at the veteran ' s support office. I never expected for her to run right back into my arms. Now Summer is mine again, but loving me is dangerous. I fell in with a bad crowd when I got back home. Worse than she can imagine. They ' re still out to get me. My secrets are deadly, and being with me has put her right in the crossfire. Start the intense, passionate Wounded Hearts series for free today with Before She Was Mine! Warning: you just might fall in love.

Freya is torn between her two mothers. Liv, her adoptive mother who nurtured and raised her, is earthy, no-nonsense. The total opposite to Melody: with her vibrant, explosive personality and extensive, brightly coloured wardrobe, Freya's birth mother is still apt to find herself thrown out of Top Shop for bad behaviour. Hard as it has been for Freya to try to reconcile her two families, it has been harder for her mothers. Proud of her mature and sensible adoptive daughter, Liv fears Melody's restless influence. Meanwhile, forced to give up her baby when she was just a teenager herself, Melody now craves Freya's love and acceptance - but only really knows how to have fun. Then tragedy strikes, and the bonds of love that tie these three women together will be tested to the max. Can they finally let go of the past, and pull together in order to withstand the toughest challenge life could throw them?

"Simply told but deeply affecting, this urgent novel unravels the heartrending yet un sentimental tale of a woman who kidnaps a baby in a superstore--and gets away with it for twenty-one years"--

I can't stand Wes Sullivan. There's only one problem: he's my new roommate. Wes is a cocky military man. He might have left the Army, but the Army hasn't left him. I hate everything about him. How he tries to control everything, including me. How his mood is always stormy and serious. And especially how good he looks in just a towel. I can't stand the sight of Wes's gorgeous abs, because it makes me want him... ..and he's all wrong for me. Okay, we have two problems. Scratch that—three problems. The third problem is that he knows my darkest secret now. He understands. And if he leaves now, I won't just lose his half of the rent. I'll lose my heart.

Prate Marshbanks proposed to his future wife on a muggy July night at Pete's Drive-in back in '52. "She said yes to me between bites of a slaw burger all-the-way." A college graduate and daughter of a prominent lawyer, Irene was an unlikely match for Prate, a high school dropout. He lived his married life aware of the question on people's minds: How in the world did a tall, thin, fair-skinned beauty and one of the most respected high school English teachers in all of Greenville County, in all of South Carolina for that matter, wind up married to a short, dark, fat-faced, jug-eared house painter? That their marriage not only survived for fifty years, but flourished, is a source of constant wonder to Prate. Now he faces a new challenge with Irene. From the author of In The Family Way, a novel the Atlanta Constitution called "an instant classic" and the Charlotte Observer praised as "a lovely, moving book," comes a powerful story of hard-earned hope. The Pleasure Was Mine takes place during a critical summer in the life of Prate Marshbanks, when he retires to care for his wife, who is gradually slipping away. To complicate things, Prate's son, Newell, a recently widowed single father, asks Prate to keep nine-year-old Jackson for the summer. Though Prate is irritated by the presence of his moody grandson, during the summer Jackson helps tend his grandmother, and grandfather and grandson form a bond. As Irene's memory fades, Prate, a hardworking man who has kept to himself most of his life, has little choice but to get to know his family. With elegance and skillful economy of language, Tommy Hays renders an unforgettable character in Prate Marshbanks. The Pleasure Was Mine is at once a quietly wrenching portrayal of grief, a magical and romantic story about the power of love, and an unexpectedly moving take on the resilience of family.

Adopting a shelter dog comes with unconditional love, but also many questions. A little boy imagines what life was like for his new dog before he adopted him from a shelter. Maybe he had a boy who loved him, but the family had to move and couldn't keep him. Maybe he belonged to someone who didn't appreciate how mischievous puppies can be. Maybe he was treated badly. But the most important thing is that now, he can be shown all the love he's been missing. Because this dog is home. Winner of the Humane Society KIND Children's Picture Book Award and the ASPCA Henry Bergh Children's Book Award, this touching story celebrates all who support, care for, and adopt shelter dogs.

The 12th installment in the New York Times best-selling series asks: What if Rapunzel's mother drank a potion from the wrong flower? Desperate to save the life of their queen and her unborn child, the good citizens of the kingdom comb the land for the all-healing Sundrop flower to cure her . . . but someone mistakenly picks the blossom of the Moondrop instead. This shimmering flower heals the queen and she delivers a healthy baby girl?with hair as silver and gray as the moon. But with her mysterious hair comes dangerous magical powers: the power to hurt, not heal. For the safety of the kingdom, Rapunzel is locked away in a tower and put under the care of the powerful goodwife, Mother Gothel. For eighteen years Rapunzel stays imprisoned in her tower, knowing she must protect everyone from her magical hair. When she finally decides to leave the only home she's ever known—to see the floating lights that appear on her birthday—she gets caught up in an unexpected adventure with two thieves: a would-be outlaw named Gina, and Flynn Rider, a rogue on the run. Before she can reach her happy ending, Rapunzel learns that there is far more to her story, and her magical hair, and her future than she ever knew. A Read with Jenna Today Show Book Club Pick! An instant New York Times bestseller! A USA Today bestseller! Named a Best Book of 2021 by Amazon • Esquire • Marie Claire • Refinery29 • Kirkus • Redbook • Ms. Magazine • The Millions • Undomesticated Magazine • Paperback Paris "A once-every-few-years reading experience."—Mary Beth Keane, New York Times bestselling author of Ask Again, Yes "Coster portrays her characters ' worlds with startling vitality. As the children fall in lust and love, grapple with angst and battle the tides of New South politics, Coster ' s writing shines"—New York Times Book Review From the author of Halsey Street, a sweeping novel of legacy, identity, the American family—and the ways that race affects even our most intimate relationships. A community in the Piedmont of North Carolina rises in outrage as a county initiative draws students from the largely Black east side of town into predominantly white high schools on the west. For two students, Gee and Noelle, the integration sets off a chain of events that will tie their two families together in unexpected ways over the next twenty years. On one side of the integration debate is Jade, Gee's steely, ambitious mother. In the aftermath of a harrowing loss, she is determined to give her son the tools he'll need to survive in America as a sensitive, anxious, young Black man. On the other side is Noelle's headstrong mother, Lacey May, a white woman who refuses to see her half-Latina daughters as anything but white. She strives to protect them as she couldn't protect herself from the influence of their charming but unreliable father, Robbie. When Gee and Noelle join the school play meant to bridge the divide between new and old students, their paths collide, and their two seemingly disconnected families begin to form deeply knotted, messy ties that will shape the trajectory of their adult lives. And their mothers—each determined to see her child inherit a better life—will make choices that will haunt them for decades to come. As love is built and lost, and the past never too far behind, What's Mine and Yours is an expansive, vibrant tapestry that moves between the years, from the foothills of North Carolina, to Atlanta, Los Angeles, and Paris. It explores the unique organism that is every family: what breaks them apart and how they come back together.

Ways to screw up the MMA comeback I've been working so hard on: 1. Check out my trainer's little sister in front of him, which gets me hit in the head 2. Make excuses to stay at the gym afterhours so I can watch her face scrunch up while she balances the books 3. Forget that she's leaving at the end of the summer and we're supposed to be sticking to just friends 4. Get caught making out with her, earning even more hellacious training sessions, along with a warning to stay away 5. Switch my focus to proving I won't stop fighting until she's mine Each book in the Fighting for Her series is STANDALONE: * Until You're Mine * Until We're More

In the game of love... Georgiana Lucas despises the arrogant and cruel Marquess of Westmorland even before learning that he ' s won the deed to her friend Kitty ' s home in a card game. Still, Georgiana assures Kitty the marquess wouldn ' t possibly come all the way to Derbyshire to throw them out—until he shows up, bloody and unconscious. Fearing that Kitty would rather see him die, Georgiana blurts out that he ' s her fiancé . She ' ll nurse the hateful man back to health and make him vow to leave and never return. The man who wakes up, though, is nothing like the heartless rogue Georgiana thought she knew... You have to risk it all He wakes up with no memory of being assaulted—or of who he is. The bewitching beauty tending him so devotedly calls him Rob and claims she ' s his fiancé e even as she avoids his touch. Though he can ' t remember how he won her hand, he ' s now determined to win her heart. But as his memory returns and the truth is revealed, Rob must decide if the game is up—or if he ' ll take a chance on a love that defies all odds.
