The Ultimate Guide to The Emperor's Blades and The Chronicles of the Unhewn Throne by Brian Staveley**Blades Of The Old Empire**

Anna Kashina’s Blades of the Old Empire narrates the story of a series of characters including Kara, one of the best mercenaries in the world. The book is a traditional fantasy novel, with swords, villains, good guys (who are somewhat naïve at times), and touches of magic. Blades of the Old Empire had original themes and a promising storyline.

Blades of the Old Empire, by Anna Kashina Book Review by SJ Higbee. Have you read this book? This is another book that has been languishing on my TBR pile far too long. So in last days of 2015, I decided to give it a whirl and see if I wanted to read it, half expecting to discard it after the first few pages. I didn't.

When her time as Prince Kythar's protector comes to an end, Kara, a mercenary and Diamond warrior, learns that the Majat Guild has sold her services to the Prince's enemy, the Kaddim, who want her to capture and hand over the Prince.

Action, intrigue, and romance in this fantasy series from two-time Prism Award winner Anna Kashina. When Prince Kythar falls under attack in his own castle, he has no idea that his enemies are none other than the ancient Kaddim Brotherhood plotting to destroy his royal line. His inborn ability to control the elements is the only power that can stop this plot, but there is one problem. Kyth's fighting skills are no match for the Kaddim, leaving him no time to put his magic to work. To defeat the Kaddim, Kyth must rely on his bodyguard Kara, a beautiful Diamond-ranked assassin from the elite Majat Guild. But his enemies develop an elaborate plan to remove her from their way. Acting through treachery and scheming, they pitch Kara against the Majat, marking her as a target for the only warrior who can defeat her in battle. With the deadly assassin on their trail, Kythar and Kara must face impossible odds to save the kingdom and their lives. File Under: Fantasy [Friend & Foe | Kingdoms at War | A Secret Gift | Uncomfortable Journeys] From the Paperback edition.

The children of an assassinated emperor try to stay alive and avenge their father's death while continuing down their individual life-paths, one in a monastery, another training with elite soldiers, and one appointed a minister determined to prove herself to her people.

FROM THE AUTHORS OF NEW YORK TIMES BESTSELLERS WHEN DARKNESS FALLS AND THE PHOENIX TRANSFORMED, AND USA TODAY BESTSELLER TO LIGHT A CANDLE They thought the war was over. They were wrong. Runacarendalur Caerthalien has been a master of battle for hundreds of years, but he found himself on the wrong side—the losing side—in the last war. Betrayed by his brother, trapped in a prophecy he does not understand, Runacar flees the battlefield. Yet Runacar is no coward. In a twist he could never have imagined, the Elven War-Prince finds himself leading a new army into battle—a force of centaurs, merfolk, gryphons, minotaurs, and talking bears who can perform magic. For centuries they have been trying to reclaim their lands from Elven invaders. With Runacar at the helm, they just might manage it. Mercedes Lackey and James Mallory’s first collaboration, the Obsidian Mountain trilogy, introduced readers to a brilliant, continent-spanning fantasy world of high adventure and epic battle. Civilization shimmered with magic while in the nooks and crannies of the world, dragons and unicorns hid from people who believed them to be nothing more than legends. The Dragon Prophecy, set thousands of years before that story, illuminates a time when long-lived Elves rule the Fortunate Lands. It is a time of dire prophecy, of battle and bloodshed, of great magics unlike any the Elvenkind have seen before. It is the story of the end of one world and the beginning of the next. The Obsidian Mountain Trilogy #1 The Outstretched Shadow #2 To Light a Candle #3 When Darkness Falls The Enduring Flame Trilogy #1 The Phoenix Unchained #2 The Phoenix Endangered #3 The Phoenix Transformed The Dragon Prophecy Trilogy #1 Crown of Vengeance #2 Blade of Empire At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Brian Staveley, author of The Emperor's Blades, gives readers the first book in a new epic fantasy trilogy based in the world of his popular series the Chronicle of the Unhewn Throne, The Empire's Ruin. Best of Summer 2021—Polygon The Annurian Empire is disintegrating. The advantages it used for millennia have fallen to ruin. The ranks of the Kетtral have been decimated from within, and the kenta gates, granting instantaneous travel across the vast lands of the empire, can no longer be used. In order to save the empire, one of the surviving Kетtral must voyage beyond the edge of the known world through a land that warps and poisons all living things to find the nesting ground of the giant war hawks. Meanwhile, a monk turned con-artist may hold the secret to the kenta gates. But time is running out. Deep within the southern reaches of the empire and ancient god-like race has begun to stir. What they discover will change them and the Annurian Empire forever. If they can survive. At the Publisher’s request, this title is being sold without Digital Rights Management Software (DRM) applied.

Winner of two Prism Awards (Fantasy, Best of the Best) The sequel to Blades of the Old Empire. Kara has achieved something that no Majat has ever managed – freedom from the Guild! But the Black Diamond assassin Mai has been called back to face his punishment for sparing her life. Determined to join his fight or share his punishment, Kara finds herself falling for Mai. But is their relationship – and the force that makes their union all-powerful – a tool to defeat the overpowering forces of the Kaddim armies, or a distraction sure to cause the downfall of the Majat? File Under: Fantasy [Duty vs Honor | Forbidden | Unstoppable | Back in Black]

Defeated by the Majat forces, Nimos and the other Kaddim Brothers retreat to their secret fortress in the southern mountains. Nimos knows that the Majat’s victory is only temporary: during the flight, he managed to place a mark on Kara, one of the top-ranked Diamond Majat. His mind magic would now allow him to use this mark to confer her fighting skill to the Kaddim warriors and turn her loyalties to their side. The new Majat Guildmaster, Mai, is planning a march against the Kaddim. His key ally, Prince Kyth Dorn, is instrumental in these plans: Kyth’s magic gift can protect the Majat against the Kaddim mind control powers. But Mai and Kyth are having trouble getting over their rivalry for Kara’s affections – even after they realize that this rivalry is the least of their worries, at least for the moment. Something about Kara is not right... File Under: Fantasy [Showdown! | Lost Princess | Shuffling the Ranks | Love (Really) Hurts]

Kara is a mercenary - a Diamond warrior, the best of the best, and a member of the notorious Majat Guild. When her tenure as protector to Prince Kythar comes to an end, custom dictates he accompany her back to her Guild to negotiate her continued protection. But when they arrive they discover that the Prince's sworn enemy, the Kaddim, have already paid the Guild to engage her services - to capture and hand over Kythar, himself. A warrior brought up to respect both duty and honour, what happens when her sworn duty proves dishonourable?

A young sword prodigy must impersonate a lost princess and throw her life into a deadly political game, in this kinetic epic fantasy novel by the author of the award-winning Majat Code series Naia dreams of becoming a Jaihar Blademaster, but after assaulting a teacher, her future seems ruined. The timely intervention of a powerful stranger suddenly elevates her into elite Upper Grounds training. She has no idea that the stranger is Dal Gassan, head of the Daljeer Circle. Seventeen years ago he witnessed the massacre of Challimar’s court and rescued its sole survivor, a baby girl. Gassan plans to thrust a blade into the machinations of imperial succession: Naia. Disguised as the legendary Princess Xarimet of Challimar, Naia must challenge the imperial family, and win. Naia is no princess, but with her desert-kissed eyes and sword skills she might be close enough... File Under: Fantasy [Warrior Foretold | Royal Massacre | Wrongful Heir | Forbidden Kingdom]

It is not a peaceful time in the Algardis Empire. War is raging between the mages and seventeen-year-old Sara Fairchild will be right in the middle of it. She just doesn't know it yet. Sara is the daughter of a disgraced imperial commander, executed for desertion. Sara is also the best duelist and hand-to-hand combatant in Sandrin. She lives quietly with her family’s shame but when challenged about her family’s honor, her opponent inevitably loses. On the night she finds out her father’s true last actions, she takes the Mercenary Guilds’ vows to serve in the emperor’s army. Using her quick wits and fierce fighting skills, she earns a spot in the first division. There she discovers secrets the mages on both sides would prefer stay hidden. Dark enemies hunt her and soon it’s not just Sara questioning the motivation behind this war. While fighting mages, blackmailing merchants and discovering new friends, Sara comes across something she’s never had before - passion. The question is - can she fight for her empress against a mage who might unwittingly claim her heart? This is year one of the Initiate Wars. Sara is hoping it doesn't become the year she dies.
