Bolivar The Epic Life Of

Arana's portrayal of the real life of Bolivar in a magical way fits in with the tradition of Magical Realism of Latin America. The colourful and eventful life of Bolivar has come out vividly in the literary style of Arana. The book Bolivar starts with the arrival of Bolivar on the afternoon of 10 August 1819, after having spent 36 days of traversing the flooded plains of Venezuela, six days marching over the vertiginous snows of the Andes and after crossing the icy pass at 13,000 feet at ...

Bolivar The Epic Life Of The Man Who Liberated South America

A handsomely mounted, never-less-than conspicuously intelligent but ultimately too-conventional historical drama, "The Liberator" shoehorns the epic life of early 19th-century South American revolutionary Simón Bolivar into two hours of intermittently powerful cinema. The movie's opening sequence gives the viewer all the movie's strengths and weaknesses in sketch form.
