(PDF) California Through Native Eyes: Reclaiming History | William Bauer - Academia.edu Most California histories begin with the arrival of the Spanish missionaries in the late eighteenth century and conveniently skip to the Gold Rush of 1849. Noticeably absent from these stories are the perspectives and experiences of the people who

(PDF) California Through Native Eyes: Reclaiming History ...

At the conclusion of california's indian wars, the U.S. Army rounded up Native People and marched them to reservations, sometimes far away from their homelands. Between 1860 and 1863 the United States forcibly removed Concows from West Mountain to the short-lived Mendocino Reservation, on the Pacific Coast near modern-day Fort Bragg, and, finally, to the Round Valley Reservation.

California Through Native Eyes: Reclaiming History by ...

Historian William Bauer seeks to correct that oversight through an innovative approach that tells California history strictly through Native perspectives. Using oral histories of Concow, Pomo, and Paiute workers, taken as part of a New Deal federal works project, Bauer reveals how Native peoples have experienced and interpreted the history of the land we now call California.

California Through Native Eyes: Reclaiming History ...

Abstract. Most California histories begin with the arrival of the Spanish missionaries in the late eighteenth century and skip to the Gold Rush of 1849. Noticeably absent from these stories are the perspectives and experiences of the people who lived on the land long before European settlers arrived. Historian William Bauer seeks to correct that oversight through an approach that tells California history strictly through Native perspectives.
