Calligraphy, builds the letters, numbers, and punctuation, giving over 300 photos for each style, so beginners can see the strokes, how the pen is held, and how the characters take form. Pens, papers, inks—all the tools are covered along with necessary techniques, so beginners can use this workbook approach to build mastery of a full range of hands—from the oldest, most traditional to contemporary—quickly and confidently.

Hello there crafty friends of mine! I ' m Kristin - mama to the most incredible little human around, graphic designer, hand letterer, and creator of June & Lucy. I love the 4 C ' s in my life: cats, coffee, couches, and cooking, and as you can tell from my Instagram captions, I think I am much funnier than I probably am. My goal with this book is to help you avoid the countless months of research, trial and error,

and mistakes that I made along the way, by giving you a straight forward, easy to understand explanation of the process behind hand lettering so that you can start your lettering journey with a strong foundation.

In an age of myriad computer fonts and instant communication, your handwriting style is increasingly a very personal creation. In this book, Margaret Shepherd, America's premier calligrapher, shows you that calligraphy is not simply a craft you can learn, but an elegant art form that you can make your own. Calligraphy remains perennially popular, often adorning wedding invitations, diplomas, and commercial signs. Whether it is Roman, Gothic, Celtic, Bookhand, or Italic style, calligraphy conveys class and elegance. Margaret Shepherd makes this ancient art form accessible in a completely hand-lettered technical

guide that will: * Provide context for calligraphy as an art, exploring the rich tradition of hand-lettering and mapping the evolution of the most popular styles. * Give detailed technical advice on choosing pens, paper, and inks, setting up your workspace, mastering various pen angles, along with step-by-step illustrations to guide you as you practice. * Explain which alphabets are appropriate for different forms of writing. For example, the Roman alphabet works well for short, unpunctuated passages, while the Italic alphabet is more suited to informal everyday communication. * Encourage you to personalize your lettering by using variant strokes and interpreting how you would like the words to look on the page. * Inspire you with carefully chosen illustrations and examples, which bring letters to life. In Margaret Shepherd's own words, "Calligraphy trains not only your eye and hand, but your mind as well." Learn Calligraphy is the authoritative
