Consultative selling is an approach to sales whereby sellers redefine reality and maximize buyer value through: A mix of understanding, shaping, and redefining need, crafting compelling solutions to address the need, and... Inspiring buyers and driving change with ideas that matter (advanced ...

[What is Consultative Selling?](#)

While being salesy is ill-advised for almost any sales rep, it is particularly bad when selling professional services. Buyers of products can say, "I don't like the sales rep, but I can tune them out for the next few minutes and simply evaluate their product against the competition." Buyers of professional services evaluate the sellers.
