The prequel to Clipped Wings—“twisted, dark, incredibly erotic...a love story like no other” (USA TODAY bestselling author Alice Clayton)—this emotional tale follows Hayden and Tenley as they struggle to let go of their pasts and maintain an emotionally safe distance from each other. Tenley Page is looking for a new start: a

new city, a new apartment, a new life.

An emotional love story that follows the touch-and-go relationship of Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. Their body art is hot. Their chemistry is even hotter. From her dark hair sweeping below her waist to her soft, sexy curves, Tenley Page intrigues tattoo artist Hayden Stryker in a way no one else ever has...especially when she asks him to ink a gorgeous, intricate design on her back. Yet for all her beauty, there is something darkly tragic and damaged about Tenley that Hayden is everything. Covered in ink and steel, Hayden is everything Tenley has never

dared to want, awakening a desire to explore more than the art adorning his stunning body. Trapped by a past that leaves her screaming from nightmares, Tenley sees Hayden as the perfect escape. Although he has secrets too, if they both keep themselves guarded perhaps their intense physical connection will remain only that. But nothing, not even passion, can keep them safe from their pasts...

An utterly addictive short story that charts the early days of an intense and passionate love affair, from the author of CLIPPED WINGS. When a tragic accident devastates Tenley Page's life, she flees her hometown in search of somewhere she can start afresh. In Chicago she finds work, college, friends, and she tentatively begins to piece her life back together. Then Hayden Stryker crosses her

path. He's devilishly handsome tattoo artist with a dark past of his own. From their fleeting interactions, Hayden's intrigue with Tenley grows into fascination. But as they get closer, Tenley must balance her feelings from him with the guilt she carries from the life she left behind. Tenley and Hayden's story continues in the hugely popular **CLIPPED WINGS**.

In this follow-up to *Clipped Wings*, the emotional love story continues between Hayden and Tenley; two young people who desperately want to love and be loved but are afraid to completely let go of their pasts. In the wake of losing Tenley Page, tattooist Hayden Stryker's tumultuous past is haunting him. Plagued by nightmares about the murder of his parents, Hayden reaches out again to Tenley. Having run from the man she doesn't believe she

deserves, Tenley finally lays her guilt to rest. Despite their intense physical attraction, Hayden and Tenley struggle to repair their fragile emotional connection. As Hayden gets closer to the truth, he must find a way to reconcile his guilt over his parents' death in order to keep the woman who finally cracked his armor, and found her way into his heart.

Chris, a sexy tattoo artist, tries to win the heart of Sarah, a grad student with little interest in him, in this second e-short and follow-up to Helena Hunting's gripping love story, *Clipped Wings*—"twisted, dark, incredibly erotic...a love story like no other" (USA TODAY bestselling author Alice Clayton). Part owner of the Chicago tattoo shop *Inked Armor*, Chris Zelter is a talented artist who decorates skin with gorgeous designs. He might look the part

of the typical jacked-up, inked-up bad-boy, but underneath is a fiercely loyal, complicated man. Kicked out at sixteen, Chris has had to fend for himself for the last twelve years, making his Inked Armor crew as much family as they are business partners. For him, it's enough—until he meets Sarah Adamson. A grad student waitressing at the local strip club, Sarah is used to propositions and crude comments. The job is a means to an end—finish her MBA, pay off the tuition loans, and get a good job. Then she won't have to rely on anyone to take care of her. So when brawny, tatted up Chris begins hanging out at the club, she rebuffs his advances. At first. But Chris isn't like her usual clientele: despite his hard exterior, he's almost...sweet. Sometimes, the people with the roughest edges have the biggest hearts.

A STANDALONE novel Sometimes the things we shouldn't want become exactly what we need . . . Waitressing at a seedy strip club isn't ideal, but it pays Sarah Adamson's tuition. Her goal is to finish her master's program and get a job that doesn't involve tight skirts and groping hands. She doesn't need distractions. Especially not the one that comes in the form of a hot-as-sin tattoo artist who works across the street from her apartment. Kicked out at sixteen, and a high school dropout, Chris Zelter is familiar with wanting things he can't have. His fractured life has never been easy. As the product of someone else's bad decisions,

he knows exactly what happens when the wrong person controls your marionette strings. Now an accomplished tattoo artist in a renowned studio in Chicago, Chris has it together. Mostly. Apart from his infatuation with Sarah. She's way out of his league, and Chris knows it. But he's willing to be her bad decision. At least for now.

Kylie Jean joins the art club and meets a new friend. Together they learn to paint in the style of several famous artists. When Kylie enters her school's Mural Art Contest, she knows just the painting that could win. But the painting takes a surprising turn. Will Kylie's masterpiece make a great impression?

school program, but her mother would much rather she focus on academics, athletics, music. . . anything but comics! Vera loves all things comic books, so she can't wait for the comics after-school class to start--even though her mother wonders whether it's educational enough. But Vera is determined to participate, and starts developing her own comic about Big Spoon and Little Spoon with the encouragement of her enthusiastic friend Nixie and instruction from teachers who are accomplished cartoonists themselves. As the weeks go by, the after-school teachers announce that for the final class, students will go on a field trip to a local comic-con--and they can even enter a page from their comics in a contest that will be judged there! Vera isn't surprised when her mother says she can't go. But maybe Big Spoon and Little Spoon can convince her mother to accept her passion. Vera Vance: Comics

Tenley settles into her new surroundings, she finds herself drawn to Inked Armor, the tattoo studio across the street. But it's the gorgeous, dark-haired tattoo artist who captures her interest. There's something about his severe beauty that captivates her—and not just in her waking hours. Covered in the ink he inscribes on other people's skin, Hayden Stryker has made a career out of being a tattooist. He's got his own business and a tight circle of friends. As far as he's concerned, that's all he needs. At least until his aunt, who owns the antiques and used book store across from his tattoo studio, hires a new employee. At first his intrigue is based on physical appeal; hot chick equals something nice to look at. But as he begins to catch glimpses of the fiery personality under the fragile, feminine exterior, his fascination with Tenley grows. Annoyed by his inability to control his fixation, Hayden decides the

best way to cure him of the new obsession is to get to know the girl under her skittish façade. But like the ink he wears as armor, Tenley has the ability to get under his skin and stay there.

Fans of the PUCKED and CLIPPED WINGS series will love this small novella set in both worlds.
