Spinning a saga of interwoven lives and beating hearts, these postmodern fairy tales take us to a Los Angeles brimming with magical realism: a place where life is a mystery, pain can lead to poetry, strangers become intertwined souls, and everyone is searching for the most beautiful and dangerous angel of all: love. HarperCollins UK

Presents five novels of life in modern Los Angeles, where Weetzie Bat and her friends and family interact with ghosts from their past and with each other as they search for love, connection, and acceptance.

Fifteen years ago Francesca Lia Block made a dazzling entrance into the literary scene with what would become one of the most talked-about books of the decade: Weetzie Bat. This poetic roller coaster swoop has a sleek new design to match its new sister and brother books, Goat Girls and Beautiful Boys. Rediscover the magic of Weetzie Bat, Ms. Blocks sophisticated, slinkster-cool love song to L.A.the book that shattered the standard, captivated readers of all generations, and made Francesca Lia Block one of the most heralded authors of the last decade.

Acclaimed author Francesca Lia Block weaves pure magic into this deftly constructed tale?e girl's path to womanhood told in linked short stories. Written in her uniquely poetic, carefully crafted style, Echo is a tour-de-force from one of our most exciting contemporary writers. Ages 11+

Dirk MacDonald, a sixteen-year-old boy living in Los Angeles, comes to terms with being gay after he receives surreal storytelling visitations from his dead father and great-grandmother.

Lonely City A tangly-haired, purple-eyed girl named Witch Baby lives in glitzy L.A. She loves a guy named Angel Juan. When he leaves for New York she knows she must find him. Looking For Love So she heads for the city of glittery buildings and garbage and Chinese food and drug dealers and subways and kids playing hip-hopscotch. Finding Trouble Her clues are an empty tree house in the park, a postcard on the street, a mannequin in a diner. Angel Juan is in danger, and only Witch Baby's heart-magic can make him safe. When Angel Juan leaves L. A.—and Witch Baby—to play his music and find himself in New York, Witch Baby, wild and restless without him, follows. The story that ensues “is an engagingly eccentric mix of fantasy and reality, enhanced—this time—by mystery and suspense. It is also magical, moving and mischievous, and—literally—marvelous.”—SLJ.

Once upon a time in the city of Shangri-L.A., someone left a baby on a doorstep. She had wild, dark hair and purple eyes and looked at the world in a special way. The family that took her in called her Witch Baby and raised her as their own. But even though she tried to fit in, Witch Baby never felt as though she truly belonged. So one day she packed her bat-shaped backpack, put her black cowboy-boot roller skates, and went out into the real world to find out who she really was....

This is the story of two girls, racing through space like shadow and light. A photo negative, together they make the perfect image of a girl. Violet is the dark one, dressed in forever black, dreaming Technicolor dreams of spinning the world into her very own silver screen creation. Claire is like a real-life Tinker Bell, radiating love and light, dressing herself in wings of gauze and glitter, writing poems to keep away the darkness. The setting is L.A., a city as beautiful as it is dangerous, and within this landscape of beauty and pain Violet and Claire vow to make their own movie. Together they will show the world the way they want it to be, and maybe then the world will become that place—a place where people no longer hate or fight or want to hurt. But when desire and ambition threaten to rip a seamless friendship apart, only one thing can make two halves whole again--the power of love. Francesca Lia Block's latest novel is a beautifully told story that boldly combines the world of film with the lyrical graceful language of poetry. The voices of two friends—one dark, one light--combine to tell a larger tale of love and loss, and the strength that comes from believing in dreams.

Maybe Mab was real. Maybe not. Maybe Mab was the fury. Maybe she was the courage. Maybe later on she was the sex . . . A tiny fairy winging her way through the jasmine-scented L.A. night. A little girl caught in a grown-up glitz-and-glitter world of superstars and supermodels. A too beautiful boy with a secret he can never share . . . From the author of Weetzie Bat comes a magical, mesmerizing tale of transformation. This is the story of Barbie Marks, who dreams of being the one behind the Cyclops eye of the camera, not the voiceless one in front of it; who longs to run away to New York City where she can be herself, not some barley flesh-and-blood version of the plastic doll she was named after. It is the story of Griffin Tyler, whose androgynous beauty hides the dark pain he holds inside. And finally it is the story of Mab, a pinkie-sized, magenta-haired, straight-talking fairy, who may or may not be real but who helps Barbie and Griffin uncover the strength beneath the pain, and who teaches that love—like a sparkling web of light spinning around our bodies and our souls—is what can heal even the deepest scars.

Pink Smog, the long-awaited prequel to Francesca Lia Block's groundbreaking novel Weetzie Bat, was praised as "an intoxicating mix of mystery, fantasy, and romance" by ALA Booklist in a starred review. Weetzie Bat is one of the seminal young adult novels of the '90s and continues to be an iconic treasure for teens everywhere. Now Pink Smog reintroduces a whole new generation to the eponymous Weetzie Bat—before she was Weetzie. Against the backdrop of a Los Angeles teeming with magical realism, Louise Bat struggles to find a way to deal with life after her father's unceremonious departure. Longtime fans and newfound readers alike will fall in love with Francesca Lia Block's beautifully crafted and brutally honest world. Maggie Stiefvater, New York Times bestselling author of The Raven Boys, proclaimed "Pink Smog sparkles and obscures; it's a glorious mirage, like the city it pays homage to."

Where were the kisses? Weetzie Bat wondered. And so begins a magical journey of discovery. As she turns forty and the relationship with her secret-agent lover-man Max falls apart, Weetzie packs up her lime green and bright orange bikini, orange suede sneakers, and Pucci tunic, jumps in her '65 mint green Thunderbird, and leaves. Weetzie finds herself at the enchanted pink hotel in sparkling Los Angeles, where she once shied away from a kiss that may have led her to the love of her life. Now she returns, perhaps in search of her lost passion, and meets an otherworldly cast of characters, among them a blue-skinned receptionist, an invisible cleaning lady, a seductive fawn, and a sushi-eating mermaid who gives her a kiss that sets the wheel of self-discovery in motion. Block invests every scene with equal shots of magic and realism, rendering her heroine and supporting players in vivid, poetic detail. In Necklace of Kisses the fans that have grown up with Weetzie Bat will be able to meet her in adulthood and find that life is still no less trying and no less full of wonder.
