National bestselling author L.A. Banks's electrifying new paranormal series is set in a sizzling world where Dark and Light are trapped in an eternal struggle for the fate of mankind. Celeste Jackson has fought all her life against a fog of hallucination and substance abuse, but it's not until she meets her protector, Azrael, an angel who has left the safety of the Light, that she learns of the evil forces that have been trying to ruin her, and why. A fierce battle for control of the mortal realm is brewing, and only Celeste—with the help of the Remnant, her half-human, half-angel brethren—can stand in the way. Together, Celeste and Azrael must gather an army of sensitives to defeat the dark powers that have ruled humanity for centuries, but time is running out. If Azrael surrenders to his growing desire for Celeste, he risks being trapped among humanity forever. But the longer he stays, the harder she is to resist. To save the world, Celeste must draw on her own dark experiences with addiction to help Azrael overcome the one temptation that could possibly make him an eternal prisoner—his obsession with her.

Meet your new paranormal addiction: the mouthwatering brothers of the Dragoumanos line. As a red-hot series begins, a vampire king seduces the supernaturally gifted man hunting him—and the stakes are literally life or death. Benjamin Fuller is a hunter, born and bred. Blinded as a child by the vampire who slaughtered his family, he's blessed with a second sight that allows him to catch and kill his quarry. What his gift can't help him see coming is his fierce, almost carnal attraction to the mystery man who claims to be a fellow hunter and whose touch triggers both lust and revulsion. When he gains the upper hand, Benjamin vows to bring his enemy to his knees. After many years spent in exile, the only one who can help restore Tzadkiel Dragoumanos to his rightful place as War King is a blind hunter with golden curls, a lithe dancer's physique, and distinctive facial scars—scars Tzadkiel gave him two decades ago. The mere scent of Benjamin Fuller provokes an unwelcome rush of insatiable desire. Yet to win an all-out supernatural war, Tzadkiel must resist the ravenous hunger to possess his prey—for now. Praise for Surrender the Dark "This close-proximity M/M tale is indeed hot.
