Benefits realization is when actual results meet the goals of a strategy. Each initiative of change has two levels of success: delivery and benefits realization. If you successfully deliver a new project to schedule, requirements and budget the project may still be viewed as a failure if benefits aren't realized.

4 Examples of Benefits Realization - Simplicable

Benefits Realization Management Plan. In the context of a project, the Benefits Realization Management Plan tells how and when the benefits of a project will be delivered. It also includes the metrics to measure the benefits. This plan creates, maximizes, and sustains the project benefits. It will have the following elements:
