The Debau Company is headed to a point of no return. The radicals within the company have made their move and deposed the conservative faction, all the while steering the northlands closer to the brink of open battle. A certain wolf rushes South as fast as her paws can carry her, but can Lawrence and the Myuri Mercenary Company hold back the flames of war long enough for a chance at lasting peace?

Several years have passed since the incidents surrounding the Coin of the Sun. Having received a letter from Holo, Norah the former shepherdess and Eve the merchant woman travel north--and on the way, they end up in the same wagon as Diana the alchemist! Were Lawrence and Holo able to find happiness for themselves? In addition to an epilogue covering the days immediately after the events of Volume 16, this final book in the Spice and Wolf series includes three new short stories!

The journey of the wisewolf and the traveling merchant comes to a riveting conclusion! Lawrence and Holo have thrown in their lot with Hilde and those loyal to the original mission of the Debau Company. Will they be able to wrest back control of the territory from the radical contingent?

The life of a traveling merchant is a lonely one, a fact with which Kraft Lawrence is well acquainted. Wandering from town to town with just his horse, cart, and whatever wares have come his way, the peddler has pretty well settled into his routine--that is, until the night Lawrence finds a wolf goddess asleep in his cart. Taking the form of a fetching girl with wolf ears and a tail, Holo has wearied of tending to harvests in the countryside and strikes up a bargain with the merchant to lend him the cunning of "Holo the Wisewolf" to increase his profits in exchange for taking her along on his travels. What kind of businessman could turn down such an offer? Lawrence soon learns, though, that having an ancient goddess as a traveling companion can be a bit of a mixed blessing. Will this wolf girl turn out to be too wild to tame?

Lawrence and Holo have settled into an idyllic life together after opening the Spice and Wolf bathhouse, but their happy marriage is suddenly intruded upon by an unexpected guest. During Nyohhira's sleepy off-season, the gruff stranger wanders alone from door to door as if in search of fleeting memories from long ago. Soon after his silent arrival, rumors about the possible construction of a rival hot spring village begin to spread. To protect their new home, the wise wolf and the cunning merchant return to the town of Svermel, but what they find there may spell the end of their adventures for good...
