book Enforcing Corporate Social Responsibility Codes

Enforcing Corporate Social Responsibility Codes develops proposals on the relationship between global corporate self-regulation and the national private law systems. It uses methods of comparative law and sociological jurisprudence to argue that national private law can, and in fact should, enforce these codes as genuine legal obligations.

101+ Read Book Enforcing Corporate Social Responsibility ...

A central question in the debate on corporate social responsibility is to what extent CSR Codes can be enforced among private parties. This contribution argues that this question is best answered by reference to the applicable doctrinal legal system. Such a doctrinal approach has recently regained importance in American scholarship, while it is still the prevailing method of legal analysis in Europe.
