exercises for independent work. A classic developmental skills text for lower-intermediate and intermediate English language learners, *Fundamentals of English Grammar* is a comprehensive grammar as well as a stimulating and teachable classroom text.

A *Communicative Grammar of English* has long been established as a grammar innovative in approach, reliable in coverage, and clear in its explanations. This fully revised and redesigned third edition provides up-to-date and accessible help to teachers, advanced learners and undergraduate students of English. Part One looks at the way English grammar varies in different types of English, such as 'formal' and 'informal', 'spoken' and 'written'; Part Two focuses on the uses of grammar rather than on grammatical structure and Part Three provides a handy alphabetically arranged guide to English grammar. A new workbook, *The Communicative Grammar of English Workbook* also accompanies this edition.

A simple grammar book - fun, easy to use, with lots of pictures. For learners of all ages. A totally new way of learning English! Learners - This book makes English grammar easy for you to learn and remember. We use pictures and diagrams, and simple exercises. See how the grammar works and do the exercises. There are no difficult explanations. It's simple. Now you can understand and use English grammar! Teachers - Jim Rose and Steve Elsworth are best-selling English language authors. *Graphic Grammar* is a completely new approach to English grammar using visual explanations. The *Graphic Grammar* series consists of four books, taking the learner from complete Beginner to Early Intermediate stages of English. Each book has fifty units of grammar, with an illustration to exemplify the grammar point, with grammar tables, examples, and practice sentences. All of the practice sentences have answers for self-checking. The language is carefully graded so that the books can be used at home for self-study, or in class with a teacher. The basis of the *Graphic Grammar* books is that it is easier to see and understand English grammar than it is to read abstract descriptions. Learners can see patterns in the English language, making it easier to understand and remember English usage. Difficult grammatical areas are covered - use of definite or indefinite articles, regular and irregular verb formations, verb transformations, pronouns, adjectives and adverbs.. Brilliantly simple - simply brilliant!

"Basic English Grammar is a classic developmental skills text for beginning students of English as a second or foreign language."--P. [4] of cover.

*English Grammar to Ace Biblical Hebrew* by Miles Van Pelt--- a companion to *English Grammar to Ace New Testament Greek* by Samuel Lamerson---enables students of biblical Hebrew to grasp the basic concepts of English grammar that are needed in order to be able to transfer these concepts to biblical Hebrew.
