Online conjugation: the best way to learn how to conjugate an English verb. Write the infinitive and the English conjugator will display forms in past tense, participle, present perfect, present continuous, past perfect, gerund. Consult conjugation models like have, be, go, take and see their translation and definition.

[English verb conjugation: past tense, participle, present ...](#)

The form of the gerund is identical to the form of the present participle. Only the usage differs. A gerund functions as a noun. A present participle functions as an adjective. The verb forms are used to build verb tenses. For example, the present tense of have combined with a past participle forms the present perfect tense.
