Financial Management: Theory and Practice by Eugene F. Brigham

Basically, financial management theory deals with the usage of money in a business, including all acquisitions, sales and expenditure. Its effectively taking financial management theory and applying it to practice applicable to your organisation. Sometimes we just call it finance management. Financial management theory will assist you and provide tools, when put into practice will help you

OVERVIEWThe tenth edition of Financial Management is a comprehensive and up-to-date text that presents the central themes and concerns of corporate financial management.

Get Free Financial Management Theory Practice By Eugene F Brigham Michael C Ehrhardt 13 Edition Solution Manual File

It presents an analytical approach to corporate finance decision-making.

Financial Management: Theory & Practice

Excellent book with detailed coverage of most of the topics in finance. Also, to my pleasant surprise the book contains some topics that are, strictly speaking, not considered to be part of finance. Great printing quality and easy-to-read text. It is one of the books that RBI recommends for RBI Grade B exam.
