Flat Stanley and Arthur are excited to go ice-skating on the frozen lake. But when the weather suddenly warms up, Stanley finds himself skating on thin ice! Beginning readers will love following along with Flat Stanley's winter adventure. Flat Stanly: On Ice is a Level Two I Can Read book, geared for kids who read on their own but still need a little help.

Stanley Lambchop is just a normal healthy boy, but since a large notice-board fell on him, he's been only half an inch thick. For Stanley this presents no problems. In fact, it makes life more exciting.

Don't miss this magical Flat Stanley chapter book adventure! Stanley Lambchop has found a real magic lamp with a genie inside! The genie tells Stanley he can wish for anything in the world: fame, a magical pet, superpowers—you name it. When Stanley's family finds out about the genie, they have some wishes, too. But the more wishes Stanley makes, the stranger his own life becomes...

A Far-out adventure! The President of the United States has chosen Stanley Lambchop and his family to become the first humans to fly in the Star Scout, a new top-secret spaceship. Stanley's most exciting adventure is about to begin. He'll meet the Queen of England, have a birthday party in outer space, and save a whole planet of aliens from danger. Oh, that Stanley!

Meet Stanley Lambchop. He's an ordinary boy with an extraordinary problem. He's four feet tall, about a foot wide . . . oh, and half an inch thick. At first being flat is fine. It's fun going in and out of rooms simply by sliding under the door. And it's exciting being mailed to your friends in California for a visit. But it's not always easy being different, and soon Stanley wishes he could be just like everybody else. Will he ever be normal again?

Audisee® eBooks with Audio combine professional narration and text highlighting for an engaging read aloud experience! What strategy do you use to get your homework done? Follow this responsible student who tackles math and spelling assignments.

Is Stanley flat again!? Stanley Lambchop has had his share of unusual adventures. But being flat was one thing he thought he was through with forever. Then one morning, he discovers he was wrong. Still, there is so much that a boy who is only one inch thick can do that a round person can't. Maybe this time, all it will take is one amazing event for everything to finally make sense.

From the same team that brought you My Momma Likes to Say comes this delightful interpretation of maxims, idioms, proverbs, and clichés many students remember hearing on a regular basis in the classroom. From "Do you have ants in your pants?" to "Stick together!" and "Great minds think alike," readers will be intrigued by the history of these adages, told in poetry form as well as expository text, and amused by the witty illustrations, depicting these sayings as a child might imagine them. Growing up with six sisters and one brother, there has never been a dull moment in Denise Brennan-Nelson's life. She continues to keep the pace lively as a motivational speaker, children's author, and mother. She is the author of My Momma Likes to Say and Buzzy the Bumblebee, also from Sleeping Bear Press. Denise lives with her family in Howell, Michigan. Jane Monroe Donovan's parents encouraged her to follow her heart and it led to her love of sketching and painting. In addition to My Teacher Likes to Say, Jane also illustrated Sunny Numbers: A Florida Counting Book and My Momma Likes to Say. She is currently working on a Christmas title for Sleeping Bear Press. Jane lives with her family in Pinckney, Michigan.
