The Cape Wild Flowers

are one of the natural
wonders of the world.

The arid areas of the
Cape West Coast and
the semi desert of
Namaqualand,
transform into a floral
wonderland that attracts

Online Library Flower Route

photographers, artists,
botanists and sightseers
from around the globe.
The wild flowers begin
flowering first in the
north in Namqualand in
late July/early August
and then roll out
southwards, through
Nieuwoudtville and the
Cederberg towards the
West Coast, at the
beginning of September.

Coast and Namaqualand~~
Namaqualand, exploring
the West Coast Flower
Route. Written by Alya
on August 28, 2020.

Visiting Namaqualand
during the flower season
is an amazing
experience. After the
rainy winter months, the
usually arid area along
the West Coast turns

Online Library Flower Route

into one big flower carpet with orange, yellow, red, and purple colors dominating the scenery.

~~Namaqualand, exploring
the West Coast Flower
Route ...~~

Drive this route South-Africa's West Coast boasts a spectacular flower route in August and September when

Online Library Flower Route

wildflowers are in full bloom. Immerse yourself in flower wonderland where a mind-blowing rainbow carpet of flowers highlight this scenic route. Namaqualand is a magical region that is home to this natural wonder every year.

~~West Coast Flower
route detail | TomTom~~

Online Library Flower Route

The Namaqualand Flower Route lies roughly 5 hours north of Cape Town. You can already see evidence of flowers even in Cape Town , and Postberg , a small section of the West Coast National Park close to Langebaan , gets the juices flowing, but the real flower show belongs to a series of drives that centre on the

Online Library Flower Route

Namaqualand Flower Route is a stretch of road that connects the towns, cities, national parks and reserves that claims South Africa's most impressive wildflower displays.

The best place to see the acres of colorful springtime blooms is in and around the Namaqualand region on the northwest coast of

Online Library Flower Route West Coast the country.

~~Namaqualand Flower
Route: A Road Trip
from Cape Town ...~~

The northern half of the
Cape Flower Route
centers around
Namaqualand, a remote
area of the Northern
Cape known as South
Africa's outback. The
region is home to plant
species, birds and

Online Library Flower Route

mammals, many of
which are endemic,
meaning that they exist
nowhere else on Earth.

Flower Route

~~West Coast~~

Namaqualand

encompasses the narrow

Sandveld coastal strip

between the Atlantic

Ocean and the Great

Karoo. It is said to be

both blessed and cursed

by nature. For most of

the year, Namaqualand

is a barren, sun-

scorched semi-desert.

But following winter

rains, the vast sandy

Online Library Flower Route

plains come alive with
brilliant orange, purple
and yellow spring
flowers.

Map Common

Attractions on the West
Coast Flower Route □

The flower phenomenon
is an amazing
transformation of what
appears to be little more

Online Library Flower Route

than a barren desert that annually converts into an abundance of spring flowers. When the rains come to the Namaqualand the time of the flowers arrives.

~~15 Top Attractions on the West Coast Flower Route~~

If you want to see bright and beautiful colours from yellows, purples,

Online Library Flower Route

oranges and reds, pay a visit to the Postberg section of the West Coast National Park.

Between August and September, the wildflowers here are unbeatable. These blooms cover vast areas, making it seem like there's an ocean of daisies and bulbs.

~~Your complete guide to~~
Page 31/35

Online Library Flower Route

~~spring flowers in the
Western Cape~~

So if you're not up for a 3-hour+ drive to see the Namaqualand daisies, take a drive up to West Coast National Park. It's a 1-hour drive from the Mother City and serves up spectacular views of sparkling blue a** water and colourful daisies.

During wildflower season, the Postberg

Online Library Flower Route

section of the park is
open to the public.

~~8 | Stunning, Drool
Worthy Places to See
the Namaqualand ...~~

But not in
Namaqualand, it's the
world's only exception
that flourishes every
spring. With just 150
mm of rain per year this
large arid area turns into
a lush flowering field.

Online Library Flower Route

At a distant look one might presume these are the same orange daisies all over, but when you take a close up look, you'll discover an endless variety of flowers.
