vocabulary appropriate to your level. You will practise reading and writing appropriate to your level. Entry 1, 2, 3 students will complete an employability portfolio in the Autumn term.

Sociolinguistics is the descriptive study of the effect of any and all aspects of society, including cultural norms, expectations, and context, on the way language is used, and society's effect on language. It differs from sociology of language, which focuses on the effect of language on society. Sociolinguistics overlaps considerably with pragmatics. It is historically closely related to linguistic anthropology, and the distinction between the two fields has been questioned. This book deals with the social life of language. The field ranges from micro-analyses to broadly-based policy and planning undertakings. As such, this book draws from sociolinguistics, the sociology of language, and psycholinguistics. The relationship between language and identity - whether of an individual or a group - is a strong thread linking all the topics covered in the book. For researchers and advanced students, it gives access to the field's most pressing issues and debates, as well as providing a platform for new initiatives in sociolinguistic research.

International physicians in the United States now total more than 25 per cent of the physician workforce. This title offers a program for an English language curriculum that is specifically designed for the important and growing group of international medical professionals, with a focus on both instruction and assessment.

`Extremely comprehensive and well written in terms of style – accessible to the reader, but intelligent and expressing some fairly subtle concepts. Would that more ELT practitioners could do the same!... Certainly a good read for those thinking about and also those engaged in initial training – or even post initial training stage' - Jenny Pugsley, Head of TESOL, Trinity College London 'It's essential reading whether you are simply curious about what is involved in training in ELT, need advice on choosing the right course, have already enrolled and want to make the most of your course, or are a new teacher just starting out. It's a book I wish I'd had when I was starting out in my ELT career, and that I wish had been available to many of the course participants I have tutored' - Lyn Strutt, ELT author and Chair of the British Council Families Association Each year, thousands of people all over the world take one of the hundreds of available short pre-service courses that lead to the award of a certificate in English Language Teaching (ELT) or Teaching English to Speakers of Other Languages (TESOL). Caroline Brandt's

Where To Download For Trinity Esol Skills For Life Entry 1 Shopping

book is an invaluable guide to anyone thinking of enrolling on one of these courses. With a clear and concise structure that follows your general interest in TESOL right through to the intricacies of the course itself, it can be used from initial research stages to final qualifications, and beyond. Brandt's decades of experience in this field across the globe shine through. Chapters include: -introducing English Language Teaching -becoming qualified -knowing your certificate course -getting started -learning -working together -being qualified. Throughout the book there are snapshots of students' experiences in their own words, and summaries of key points for you to take with you - whether into the next stage of learning or the next day's teaching. The chapters are stand alone resources as well as the building blocks to becoming a fully-qualified English Language teacher. The book is supported by a companion website, which provides quizzes to test understanding of each chapter, lesson plan proformas, a full glossary and annotated website links.

This second edition updates a course which has proven to be a perfect fit for classes the world over. Engaging content and a strong focus on grammar and vocabulary combine to make this course a hit with both teachers and students. The Level 5 Teacher's Resource Book contains extra photocopiable grammar and

communication activities and full pages of teaching tips and ideas specially written by methodology expert, Mario Rinvoluceri. A Testmaker CD-ROM and Audio CD which allows teachers to create and edit their own tests is also available separately, as is Classware which integrates the Student's Book, class audio and video.

Features information on studying at Postgraduate level in the UK, what is involved, what opportunities there are, lists details £75 million of funding available to Postgraduate students.

Quick Smart English is a radical, rapid, revision course in English language communication for students at Advanced level (Common European Framework B2-C1). QSE has a strong functional, grammatical and lexical framework. QSE provides extensive practice of all four language learning skills, particularly speaking, aided by Language banks on the fold-out cover flaps. QSE is officially recognised as valuable preparation for the GESE and ISE examinations of Trinity College, London and includes extensive Trinity examination practice activities. QSE is based on stimulating and controversial topics to promote real discussion in class about subjects that really matter to students. It includes a unit-by-unit Glossary. QSE uses task-based learning activities including Conversations and Topic Presentations plus a wide range of pair and group exercises using Role play cards. QSE includes cross-curricular, Content and Language Integrated Learning (CLIL)
