Fostering Children's Social Competence:
The Teacher's Role ...

This book presents options for early
childhood educators to consider as they
make decisions concerning how best to
foster the development of children's social
competence. The book maintains that social
competence is most likely to be acquired
and strengthened in an atmosphere of
warmest acceptance, respect, and deep faith
in the child's capacity to grow and develop.

social skills can contribute to a child ' s academic success. Social skills are essential for every child, especially from birth to the age of five, as they lay the foundation for future life success ...

Supporting Young Children ' s Social Competence

Social and Emotional Competence of Children Parents support healthy social and emotional development in children when they model how to express and communicate emotions effectively, self-regulate, and make friends. A child's social and emotional competence is crucial to sound relationships with family, adults, and peers.
