Interestingly, this gesture can be offensive to Korean people. Koreans use this gesture to call only animals not humans. When you ask someone to come, you use a gesture somewhat similar to go away in America. Your palm facing downward, you motion your hand toward your body instead of away from your body. Do not tip in South Korea.

Lists and illustrates gestures and explains their meanings in eighty-two countries around the world, along with information about rules of decorum and when to make eye contact and touch
