Anthony Horowitz was brought up on horror stories and his childhood love of all things sinister and scary has stayed with him. He says, "I think everyone enjoys horror. Not necessarily dead bodies and dripping blood, but the shadows that lie just outside our vision, the secrets behind closed doors."

what they appear. Funerals are just the beginning. How about a day at the beach that ends in a mischievous murder? Or a cell phone that has a direct dial to . . . the dead? From the creator of the blockbuster Alex Rider Adventures and The Diamond Brothers Mysteries comes eight more fantastically frightening tales. Whatever you do, don't take this book to bed with you!

Alex Rider is now an IMDb TV/Amazon Original Series! From internationally bestselling author Anthony Horowitz comes the twelfth thrilling installment of the Alex Rider series! Follow the world's greatest teen spy as he sets off to Gibraltar after the death of Scorpia, and enters into a battle against a new criminal organization: Nightshade. Following the shocking events of Never Say Die, Alex Rider's world has changed: his biggest enemy, the evil organization Scorpia, has been destroyed. Alex is hoping his life can finally go back to normal, that he can go to school and spend time with his friends--but very quickly everything changes. A new and dangerous criminal organization--Nightshade--is rising. When Alex discovers they've planned a mysterious attack on London, he will stop at nothing to take them down. But protecting his home city means facing off a ruthless new enemy and putting his life at stake, again. And this time, there's no one to save him if he makes a mistake. The #1 New York Times and internationally bestselling Alex Rider series is back with a vengeance in this edge-of-your-seat adventure. Perfect for fans of James Bond and Jason Bourne!

Twelve-year-old Joe Warden isn't happy. Sure, he's rich, but his parents don't care about him. His grandmother should make everything better, except that Joe's granny is a nightmare. She's not just physically repulsive, she's horribly mean. Everyone thinks she's just a dotty old woman, but Joe knows the truth. He's seen behind her mask and glimpsed the wicked glimmer in her eyes - she is pure evil. And now she's out to get Joe, unless he can stop her and her band of nasty grannies first.

Stories of ultimate revenge, from freshly sold human meat and uncontrollable robots, to life-sucking MP3 players and reality TV where death is the penalty - all told with dark humour and gruesome relish.

Three sinister and creepy tales by Anthony Horowitz, a master storyteller and the bestselling author of the Alex Rider series. Gary hates the countryside - why did his mum have to bring him here to stay with his gran? It's boring and prickly and field after field, it all looks the same - especially when you're lost... Kevin loves computer games, but this latest game (Smash Crash Slash 500 Plus) breaks all the rules, and now Kevin is part of the game... Howard is in Heaven, strange after a life spent bullying, stealing and playing truant - so why is he so unhappy?

From the # 1 New York Times bestselling author of the Alex Rider series. When the vertically-challenged Johnny Naples entrusts Tim Diamond with a package worth over three million pounds, he's making a big mistake. Tim Diamond is the worst detective in the world. Next day, Johnny's dead, Tim feels the heat, and his smart younger brother, Nick, gets the package--and every crook in town on his back!

From the New York Times bestselling author of the Alex Rider series! A teen gang leader taken for a deadly ride by a car with a mind of its own. . . . A boy haunted by a phantom cobra. . . . A reality TV show pitting teens against grown ups, with only one survivor . . . From whose twisted mind can such gruesome stories unfold? Only Anthony Horowitz. From the internationally bestselling author of the Alex Rider missions, this collection of harrowing tales is sure to have you smiling in terrified pleasure. But whatever you do, don't turn out the lights!

For the first time in its one-hundred-and-twenty-five-year history, the Arthur Conan Doyle Estate has authorized a new Sherlock Holmes novel. Once again, The Game's Afoot... London, 1890. 221B Baker St. A fine art dealer named Edmund Carstairs visits Sherlock Holmes and Dr John Watson to beg for their help. He is being menaced by a strange man in a flat cap - a wanted criminal who seems to have followed him all the way from America. In the days that follow, his home is robbed, his family is threatened. And then the first murder takes place. Almost unwillingly, Holmes and Watson find themselves being drawn ever deeper into an international conspiracy connected to the teeming criminal underworld of Boston, the gaslit streets of London, opium dens and much, much more. And as they dig, they begin to hear the whispered phrase-the House of Silk-a mysterious entity that connects the highest levels of government to the deepest depths of criminality. Holmes begins to fear that he has uncovered a conspiracy that threatens to tear apart the very fabric of society. The Arthur Conan Doyle Estate chose the celebrated, #1 New York Times bestselling author Anthony Horowitz to write The House of Silk because of his proven ability to tell a transfixing story and for his passion for all things Holmes. Destined to become an instant classic, The House of Silk brings Sherlock Holmes back with all the nuance, pacing, and almost superhuman powers of analysis and deduction that made him the world's greatest detective, in a case depicting events too shocking, too monstrous to ever appear in print...until now.

****A Guardian 'Best Thriller of the Year!'** The New York Times bestselling author of Magpie Murders and Moriarty brilliantly reinvents the classic crime novel once again with this clever and inventive mystery starring a fictional version of the author himself as the Watson to a modern-day Holmes, investigating a case involving buried secrets, murder, and a trail of bloody clues. A woman crosses a London street. It is just after 11am on a bright

spring morning, and she is going into a funeral parlor to plan her own service. Six hours later the woman is dead, strangled with a crimson curtain cord in her own home. Enter disgraced police detective Daniel Hawthorne, a brilliant, eccentric man as quick with an insult as he is to crack a case. And Hawthorne has a partner, the celebrated novelist Anthony Horowitz, curious about the case and looking for new material. As brusque, impatient, and annoying as Hawthorne can be, Horowitz—a seasoned hand when it comes to crime stories—suspects the detective may be on to something, and is irresistibly drawn into the mystery. But as the case unfolds, Horowitz realizes he's at the center of a story he can't control . . . and that his brilliant partner may be hiding dark and mysterious secrets of his own. A masterful and tricky mystery which plays games at many levels, *The Word Is Murder* is Anthony Horowitz at his very best.
