Just in: Ramaphosa confirms lockdown ... - The South African

THE short answer to the question that is the title of RW Johnson's new book, How Long will South Africa Survive?, is roughly two years. That is when, he suggests, given the increasingly dire state of the economy, the country, cap-in-hand, will approach the International Monetary Fund for a bail-out which, in turn, will result in a regime change of some kind.

Asking RW Johnson - why has SA only got two years left?
