## Gary Dessler 12 Edition

Specific topics include the strategic role of human resource management; equal opportunity and the law; job analysis; personnel planning and recruiting; employee testing and selection; interviewing candidates; training and developing employees; managing organizational renewal; appraising performance; managing careers and fair treatment; establishing pay plans; pay-for-performance and financial incentives; benefits and services; labor relations and collective bargaining; employee safety and health; managing human resources in an international business; human resources information systems and technology. For practicing Human Resource Managers as well as any business managers who deal with human resource/personnel issues.

This classic, readable book does the best job at covering the current issues within HRM, and provides a complete, comprehensive review of essential personnel management concepts and techniques. Considering the intensely competitive nature of business today, this book focuses on practical applications that all managers can use to deal with their HR-related responsibilities, while being able to defend their plans and contributions in measurable terms. A five-part format begins with an introduction, and then covers recruitment and placement, training and development, compensation, and labor relations and employee security. For all human

resource personnel and managers.

A Framework for Human Resource Management provides readers and practicing managers with a concise yet thorough review of essential HR management concepts—including fundamental practices, methods, topics, and relevant legal findings—in a highly readable and accessible format.

This market-leading text takes a pragmatic approach emphasizing the strategic role of human resources. Comprehensive, research-based coverage includes all major topics identified on the Human Resource Certification Institutes Content Outline. Coverage includes a global chapter, expanded coverage of diversity, new material on performance management, and current hot topics such as self-directed work teams, shamrock organization, broadbanding, competency-based pay systems, job security, violence in the workplace, and how organizational commitment affects production, quality, and service.

For introductory courses in human resource management. Foundations in management beyond the HR department Fundamentals of Human Resources Management supports human resources training for all students of management -- not just HR managers. The text presents a

wide range of HR topics within a single semester of material, and a wealth of functional examples and applications. Fundamentals is also the first text of its kind to make talent management processes a core study. This 5th Edition has been updated with practical personnel techniques, real company examples, and new material on business sustainability. Each chapter touches on important recurring themes in management, including employee engagement tactics, small/global business management, employment law features, and positive employee relations, to help students become stronger and more effective managers.
