"** Considered by many readers to be the best of the gardening books out there. " —Lake News Online

After WWII Americans were anxious to re-stoke the economy after a long " make-do with what you have " dry spell. By the 1950s new highways were being built, new trucking companies were being formed and old ones revived. Americans were buying newly-styled cars and the latest technologies once again. Semi-trucks helped pave the way for this huge growth spurt in America with dependable trucks built by Mack, GMC, Chevrolet, Ford, Dodge, International, White Freightliner, Peterbilt, Kenworth, Diamond T, Reo, Autocar, Brockway, Sterling and others, many using the increasingly popular diesel engines made by Buda, Hercules, Waukesha, and Cummins, which helped their heavy loads haul quicker. Ron Adams portrays this booming era with over 300 superb photos of trucks hauling cement, fuel, and a variety of goods to enthusiastic Americans.

Roads I Have Traveled: People and Places from Spencer and Back is the sequel to Marty Civin's maiden voyage into the world of literature, Memories, which captured the hearts and imaginations of friends from small town, Spencer, MA. Roads I Have Traveled: People and Places from Spencer and Back, continues Marty Civin's journey from Spencer to the furthest points of New England to Ft Hood TX, Korea and other exciting destinations.

Crazy Psycho Ex? Check. Massive Imprint Tattoo appearing and taking my total up to three now? Check. Five deliciously gorgeous new guys at school and secrets galore? Check. I have a feeling everything is about to change. Sage is just done, done with the abuse that her mother puts her through daily, done with always being so alone and done with being one of the youngest humans to get an Imprint Tattoo. Only a small percentage of the human population over the age of eighteen ever receive one and they only appear when a soul changing event happens in that person's life. Sage's first one showed up when she was nine, yey for being weird. She's been fighting for so damn long and she's just tired of it all. when she's almost fully given up, hope comes in the arrival of five new guys at her crappy high school, the guys are shrouded in secrets but it's not like she's being completely honest with them either. If Sage doesn't let her fear control her, then she has the chance to be a part of something amazing but fate throws them all a curve ball when they realize that their lives are more intertwined than any of them could've imagined and as secrets about her past come to light and her psycho ex makes a reappearance she can't help but find comfort in the five guys who give her hope. This is a slow/ medium burn paranormal Reverse Harem. Warnings: please be advised that this book contains dark themes, including abuse, memories of abuse from when she was a child, violence and cursing. Additionally, sexual themes suitable for mature audiences 18+. All sex is consensual.

"A cop at the opera..." Wisteria Tearoom owner Ellen Rosings coaxes Detective Tony Aragon to go with her to the Santa Fe Opera, but the magnificent performance of Tosca ends in disaster. In bizarre counterpoint to the opera's plot, the leading man is murdered in his dressing room, and Tony must rush to secure the crime scene. Ellen is left to comfort Vi Benning, a former server at the tearoom who is now an apprentice at the Opera and a protegee of the slain singer. No opera aficionado, Tony turns to Ellen for help navigating the world in which he must now conduct an investigation. At the same time, Ellen is coping with a sudden, mysterious jump in business at the tearoom. Her problems are eclectic: ...Who killed the famous baritone? ...What do the antique letters she's found have to do with the tearoom's resident ghost? ...And will she and Tony ever find time for a normal date? "This cozy mystery is the third in the Wisteria Tearoom Mysteries series."

A father's grief in the wake of one of America's worst disasters becomes a certainty that life and love continue forever.

In this remarkable new photographic history, local historian and photographer Dennis LeBeau presents a heartwarming tale of life in the Brookfields at the turn of the century. The photographs in this collection are those of William Bullard, an itinerant photographer in the 1890s and early 1900s from North Brookfield, whose work has never before been published in book form. The story of Bill Bullard's life and photographic legacy are dramatically revealed in this fascinating glimpse into the past. After the photographer's untimely and tragic demise, the rich photographic archives of Bill Bullard were carefully preserved by his brother, Charlie Bullard, and three generations of the neighboring Gaudette family. Dennis LeBeau has individually reprinted each image in this collection from its original glass plate negative. Mr. LeBeau's researched and well-informed captions accompany the photographs in Bullard's collection, creating a comprehensive historic portrait of both the Brookfields and the Bullard family.

For Griffin, all paths, all memories, converge at Cape Cod. The Cape is where he took his childhood summer vacations, where he and his wife, Joy, honeymooned, where they decided he ' d leave his LA screenwriting job to become a college professor, and where they celebrated the marriage of their daughter Laura ' s best friend. But when their beloved Laura ' s wedding takes place a year later, Griffin is caught between chauffeuring his mother ' s and father ' s ashes in two urns and contending with Joy and her large, unruly family. Both he and she have also brought dates along. How in the world could this have happened? By turns hilarious, rueful, and uplifting, That Old Cape Magic is a profoundly involving novel about marriage, family, and all the other ties that bind.

Prepare for a photo-packed look at trucks in action! Ron Adams has combed his huge archive of vintage truck photos to assemble this collection of over 300 black-and-white and color photos of postwar trucks. Prior to deregulation in the 1980s, distinctly branded trucks from hundreds of independent trucking firms worked America ' s roads. Organized by decade, American Semi Trucks 1943-1979 features trucks from all makers including Freightliner, Kenworth, Mack, White-Freighliner, and more. Complete with detailed captions, this is a complete look at this period of trucking history.
