Introduction To Econometrics By Christopher

Great introduction to econometrics. I have looked at several other entry level textbooks and this one is far better than the rest in terms of clarity and easiness to follow the logic. Honestly, all other textbooks made me struggle. Dougherty's book helped me get a proper understanding of things.

Introduction to Econometrics: Amazon.co.uk: Dougherty ...

In contrast, I had a hard time with, An introduction to Classical Econometric Theory; by Paul A Ruud, as my first econometric reading. I think this book not only makes econometrics understandable and it also presents many practical techniques for situations that we often encounter.
