Noah Mitchell has grown up knowing that he was going to one day take over the family ranch. He's worked along side of his father, Colt, since he was a young child. Now an adult, who has always been raised that family is the most important thing in life, he starts to question if running the family business is what he really wants to do. After a heated argument with his parents, Noah leaves town to clear his head. That's where he meets the beautiful Shalan, a singer, who longs for a life in the city. Sparks fly and soon Noah finds himself in a hard situation. When the time comes to return home, will Noah go back to his life on the farm, or will love lead him away?	

Jake Mitchell has spent his whole life tied at the hip with his best friend and twin brother Jax. They've shared everything, except for women, which was easy since their tastes were so different. From the moment she walked into the room Jake knew she was special, with her flowing brown locks, supple body, and a smile that could brighten any day. An accident leaves her vulnerable and in the arms of his brother. From that moment she's in awe of Jax. Jake tries his best to keep away from Reese Miller. He disrespects her and tells everyone how much she annoys him to make sure she stays at a distance. Reese can't stand that Jake hates her. She's determined to change his mind, not knowing he's desperately trying to protect his relationship with his brother, and his family. When the two find themselves alone during a winter storm all bets are off, and what happens next could change everything, including the bond between two brothers.

	
Book five in the Mitchell series is finally Conner's story. Please read this series in order, due to the fact that it is a continued story. He may not have the last name Mitchell, but he is a big part of the family. When Conner moved to NC to help out the family with a new business venture, he never saw himself becoming interested in his sister's boss, Amy. Their first meeting was not ideal and both were left with little interest in even becoming friends. After Conner learns about Amy's secret life, by accident, he becomes the only person to help her through it. Every time they get near each other their love/hate relationship fuels for a heated encounter. This book contains explicit language and sexual content.	

	
In the aftermath of the Civil War, the West is invaded by hordes of bold, dangerous men. And with the railroad coming to Black Creek, Kansas, the town becomes a magnet to every whore, tinhorn, outlaw, and killer in the territory. A gang of human vultures, led by the shadowy, murderous Harvey Kidd, has started a bloody guerrilla war with the Union Pacific Railroad, robbing payrolls, killing workers, and burning bridges. Black Creek is next on Kidd's list. Into this explosive mix rides human powder keg Dane Bowman, a mysterious stranger with a big iron on his hip. Lightning-fast and leather-tough, Bowman whipsaws outlaws and lawmen alike, taking on all comers, turning Black Creek into a corpse-strewn battleground. It all leads up to a showdown on Boot Hill that unleashes a bloody storm of lead destined to become a legend of the West....	

They say without the support from his family, a man is lost. My parents have been pushing me to make the right choices throughout my life. Instead of taking their advice, I've gone against their guidance more times than I care to admit.Now I've done the unthinkable; something they would never approve of. I'm involved with a beautiful, compassionate woman, but I've also been in a complicated relationship with her best friend on and off for several years. I don't know how it's possible, but I have deep feelings for both.Now one of them is pregnant.My choice should be easy, but nothing ever is, at least not in my experience.I want to reach out to my family, but I already know they'd tell me I screwed up, just like in the past. I have to figure this out. A choice will be made.Hearts will be broken, and one of them will most definitely be mine.I'm Joshua Healy, and this is exactly what I deserve.

	
Could an entire city really bum to the ground?	

	
Follows the experiences of an aristocratic family from the turbulent antebellum years through the Civil War, during which they harbor dark secrets and jealously guard their privilege and power.	

	
Patrick Henry, the famous statesman, has a secret: He keeps his wife in the cellar. Slowly losing her mind, Sarah Henry has become a danger to herself and her children. But daughter Anne has a secret of her own: She knows which child will inherit their mother's madness.Told from the point of view of the Henry children, this compassionate tale explores the possibility that Patrick Henry's immortal cry of "Give me liberty, or give me death," which roused a nation to arms, was first spoken by his wife as she pleaded for her own freedom.Includes a reader's guide.	

Survive. At any cost. 10 concentration camps. 10 different places where you are starved, tortured, and worked mercilessly. It's something no one could imagine surviving. But it is what Yanek Gruener has to face. As a Jewish boy in 1930s Poland, Yanek is at the mercy of the Nazis who have taken over. Everything he has, and everyone he loves, have been snatched brutally from him. And then Yanek himself is taken prisoner -- his arm tattooed with the words PRISONER B-3087. He is forced from one nightmarish concentration camp to another, as World War II rages all around him. He encounters evil he could have never imagined, but also sees surprising glimpses of hope amid the horror. He just barely escapes death, only to confront it again seconds later. Can Yanek make it through the terror without losing his hope, his will -- and, most of all, his sense of who he really is inside? Based on an astonishing true story.
