In this heartbreaking Turkish novel based on the real-life sinking of a refugee ship during World War II, an elderly professor leaves America to revisit the city where he last glimpsed his beloved wife. Istanbul, 2001. Maya Duran is a single mother struggling to balance a demanding job at Istanbul University with the challenges of raising a teenage son. Her worries increase when she is tasked with looking after the enigmatic Maximilian Wagner, an elderly German-born Harvard professor visiting the city at the university's invitation. Although he is distant at first, Maya gradually learns of the tragic circumstances that brought him to Istanbul sixty years before, and the dark realities that continue to haunt him. Inspired by the 1942 Struma disaster, in which nearly 800 Jewish refugees perished after the ship carrying them to Palestine was torpedoed off the coast of Turkey, Serenade for Nadia is both a poignant love story and a gripping testament to the power of human connection in crisis.

Meryem, a fifteen-year-old girl, lives in a rural village on the shores of Lake Van in Eastern Turkey. Her simple life changes dramatically after her uncle, a sheikh in a dervish order, rapes her. She is considered an outcast for shaming her family. When she is locked in a shed and left alone for days, she comes to the painful realization that her family expects her to hang herself with a length of rope left on the dirt floor. But she is defiant. As tradition still has it, a judgment must be made in the name of honor. She is told she is to be taken to Istanbul, a shining city she envisions being just over the nearest mountain. Many girls from her village have "gone to Istanbul," and she assumes it must be a wonderful place since not one has returned. In fact, those girls have been the victims of "honor-killings." Cemal, Meryem's cousin, a commando in the army, has been fighting in the mountains against the rebels. On his return home, he is welcomed as a hero though he has been severely traumatized by his war experiences. His father, who had violated Meryem, charges Cemal with the task of executing his cousin's punishment. As he and Mereym begin their journey, they proceed through the marketplace where the townspeople have gathered, some weeping and others mocking her. In Istanbul, a Harvard-educated professor named Irfan lives an elite existence. He has published many books, hosts a radio show, and seems to enjoy success and jet-set freedom. He revolts against the routine of his soulless life, deciding to leave his wealthy wife and Istanbul. He charters a boat to sail the Aegean . By coincidence, his path crosses with that of Meryem and Cemal. They embark on a journey together that fills their hearts with hope and sets them free. Already an international bestseller, this lyrical and moving tale juxtaposes the traditional and modern and draws attention to human rights violations against women in the Middle East.

From the internationally bestselling author of Serenade for Nadia, a powerful story of love and faith amidst the atrocities committed by ISIS against the Yazidi people. Disquiet transports the reader to the contemporary Middle East through the stories of Meleknaz, a Yazidi Syrian refugee, and Hussein, a young man from the Turkish city of Mardin near the Syrian border. Passionate about helping others, Hussein begins visiting a refugee camp to tend to the thousands of poor and sick streaming into Turkey, fleeing ISIS. There, he falls in love with Meleknaz-whom his disapproving family will call “the devil” who seduced him—and their relationship sets further tragedy in motion. A nuanced meditation on the nature of being human and an empathetic, probing look at the past and present of these Mesopotamian lands, Disquiet gives voice to the peoples, faiths, histories, and stories that have swept through this region over centuries.

Part love story and part psychological thriller from best-selling author Trevanian, "a tour de force... A story that explores meticulously some of the darker corners of the human soul." -- The Washington Post In the quiet Basque countryside in 1914, Jean-Marc Montjean, a handsome young doctor, moves to the small French village of Salies to assist the village physician. It's there that he meets the seductive, beautiful Katya Treville. Jean-Marc is bewitched, driven to know everything about her. But as he and her family become friendly, he realizes they are haunted by an old, dark secret. When Jean-Marc learns that the Trevilles are planning to leave the village forever, he insists on a final meeting with Katya. That meeting and the events that follow turn what was an idyllic romance into an unending nightmare. And when Katya’s secret is revealed, the chilling climax will stay with the reader long after the last page is turned. "A most exquisite, elegant, ingenious thriller." -- The New York Daily News

Fifty-year-old Susannah Nelson returns to her childhood home and to the garden she has always loved, where she discovers that some paths were meant to be taken and others were meant to be buried forever.

The Trainspotting lads are back...and in worse shape than ever. In the last gasp of youth, Simon "Sick Boy" Williamson is back in Edinburgh. He taps into one last great scam: directing and producing a porn film. To make it work, he needs bedfellows: the lovely Nikki Fuller-Smith, a student with ambition, ego, and troubles to rival his own; old pal Mark Renton; and a motley crew that includes the neighborhood's favorite ex-beverage salesman, "Juice" Terry. In the world of Porno, however, even the cons are conned. Sick Boy and Renton jockey for top dog. The out-of-jail and in-for-revenge Begbie is on the loose. But it's the hapless, drug-addled Spud who may be spreading the most trouble. Porno is a novel about the Trainspotting crew ten years further down the line: still scheming, still scamming, still fighting for the first-class seats as the train careens at high velocity with derailment looming around the next corner.
