Alexis has true friends in the Cupcake Club—which is a good thing, because everyone else is calling her names. Everyone in the Cupcake Club was thrilled when mean girl Sydney moved away, but the new girl, Olivia, is even worse than Sydney was! Every time she passes Alexis in the hallway, she says something nasty to her. And if that wasn't bad enough, she also has all the girls in the Best Friends Club making jokes about Alexis! Alexis has no idea why this is happening...until she remembers an offhand remark she made to a friend about Olivia. It wasn't meant to be mean, but did Olivia take

Mia goes on vacation and meets up with the girls from the Sprinkle Sundays series in the latest addition to the Cupcake Diaries series! Things are slow at the cupcake shop this summer, and so when Mia's dad invites her on a long weekend trip to meet some of his college friends, she jumps at the chance—especially when she hears they have daughters her age. It turns out the girls work in an ice cream shop. Not only does Mia end up making new friends—she comes back with a new invention for the Cupcake Girls: an ice-cream cone cupcake!

This first book in The Cupcake Diaries is told through the perspective of Katie Brown. We find Katie miserable on the first day of middle school. Her best friend Callie came back from camp boy-crazy and part of a whole new group of friends. When it's made clear that Callie is in the PGC (Popular Girls Club) and Katie is not invited to join, Katie suddenly feels incredibly alone. Katie realizes if she's going to survive middle school she needs to seriously regroup and find some new friends. But how? She bites into the cupcake her mother packed her for lunch and for a second closes her eyes. The sweet treat makes her happy—finally something goes right! Looking around her table, Katie

notices the other students seeming a bit lost, as well. Which gives her an idea...With three new friends Katie forms a club as a way to spread the cupcake love and earn some cupcake cash.

When the popular girls club takes interest in Mia, she has to decide between being popular and her new cupcake club friends.

Three besties must piece together what happened after an epic sleepover becomes more than just karaoke and sundaes in this "fun...unlikely" M!X novel "in the manner of the movie The Hangover" (Booklist). Meghan, Paige, and Anna-Marie are super excited for the Best. Night. Ever. The sleepover they're planning is going to be nothing short of EPIC. Not even the last-minute addition of Anna-Marie's socially awkward, soon-to-be stepsister Veronica can dampen their spirits. But nothing prepares them for the scene that greets them when they awaken the next morning: the basement is a disaster, Meghan's left eyebrow has been shaved off and she is somehow in possession of the Class Bad Boy's signature hoodie, and there's a slew of baby chicks in the bathtub! Worst of all, Anna-Marie is missing! Trouble is, none of them can remember anything beyond the hypnotism trick performed by the two-bit magician Veronica arranged in an effort to impress the other girls. Now, as the clock is ticking and the clues continue to get weirder, the

remaining girls must figure out exactly what happened the night before. Can they find Anna-Marie and pull off the ultimate save-face before parent pick-up time?

'Fast-paced, irreverent, and very funny, The Spellman Files is like Harriet the Spy for grown-ups' Curtis Sittenfeld, author of Eligible and American Wife Izzy Spellman is 28, single and works for Spellman Investigations, a family-run private detective agency. She might have a chequered past littered with romantic mistakes - but at least she's good at her job. Invading people's privacy comes naturally. To the whole family. To be a Spellman is to snoop on a Spellman; tail a Spellman; dig up dirt on, blackmail and wire-tap a Spellman. But when Izzy's parents hire her 14-year-old sister to discover the identity of her new boyfriend, Izzy decides she wants out. Before they'll let her go, her parents ask her to solve one last case - a 15-year-old, ice-cold, missing person, impossible-to-solve case. But when a disappearance occurs far closer to home, Izzy's Impossible Case becomes the most important of her life. 'Hilarious. My enjoyment of The Spellman Files was only slightly undercut by my irritation that I hadn't written it myself. The funniest book I've read in years!' Lauren Weisberger, author of The Devil Wears Prada 'The Spellman Files is hilarious, outrageous, and hip. Izzy Spellman, P.I., is a total original, with a
