A hilarious, in-your-face guide to the online universe from the BEAST of the internet, YouTube superstar KSI. It's your boy KSI! And I've got a confession to make. I. AM. A. Tool. Yes, I've committed crimes against the internet: excessively posting selfies, oversharing about my dead nana, spending all day scouring Tinder and suffering FIFA rage. But my therapist tells me that with acceptance comes salvation, so now I'm going to blow the doors off the internet to find the cure. Hold on to your balls while I take down fellow YouTubers, trolls, pervs, catfishers, and Nigerian scammers in an all-out assault on the online universe. Also, do you want to know how I became a YouTube kingpin? Back away, mo-fo, that title is mine! Jokes . . . I'll show you how to be a baller on YouTube, the best ways to get paid online, and how you can make the internet yours. Prepare to laugh, be horrified, and cry to your mom. This is going to get messy. What did you expect? A book full of blank pages, lame challenges, and really deep lifestyle tips? Do me a favor. This sh*t is legit!

Billions of you have watched their videos and millions of you have followed them on social media. So here we go; it's time to back up because YouTube superstars, The Sidemen, are finally here in book form and they're dishing the dirt on each other as well as the YouTube universe. There's nowhere to hide as KSI, Miniminter, Behzinga, Zerkaa, Vikkstar123, Wroetoshaw and Tobjizzle go in hard on their living habits, their football ability, and their dodgy clobber, while also talking Fifa, Vegas and superheroes. They'll also give you their grand house tour, letting you in on a few secrets, before showing you their hall of fame, as well as revealing some of their greatest shames. Along the way you'll learn how seven of the world's biggest YouTube stars started off with nothing more than a computer console, a PC and a bad haircut before joining forces to crush the internet. And they'll tell you just how they did it (because they're nice like that) with their ultimate guide to YouTube while also sharing their memories of recording their favourite videos as well as a typical day in the life of The Sidemen. You'll feel like you're with them every step of the way, smelling the 'sweet' aroma of the boys' favourite dishes in the kitchen, stamping your passport as you follow them on their trips around the world and kicking every ball as the boys gear up for the biggest football match of their lives. It's going to get personal. It's going to get intense, and JJ is going to have lots of tantrums, so take a moment to prepare yourself, because this is The Sidemen book you've been waiting for!

A FREE PRELUDE TO THE FIFTH VITAL Mike Majlak was a seventeen-year-old from a loving, middle-class family in Milford, Connecticut, when he got caught up in the opioid epidemic that swept the nation. For close to a decade thereafter, his life was a wasteland of darkness and despair. While his peers were graduating from college, buying homes, getting married, having kids, and leading normal lives, Mike was snorting OxyContin, climbing out of

cars at gunpoint, and burying his childhood friends. Unable to escape the noose of addiction, he eventually lost the trust and support of everyone who had ever loved him. Alone, with nothing but drugs to keep him company, darkness closed in, and the light inside him—the last flicker of hope—began to dim. His dreams, potential, and future were all being devoured by a relentless addiction too powerful to fight. Despair filled him as he realized he wasn't going to survive. Somehow, he did... HE NOT ONLY SURVIVED, HE THRIVED. Now he's a social media personality with millions of followers, and an entrepreneur, marketer, podcaster, YouTuber, and author who hopes to use his voice to shine a light for those whose own lights have grown dim. This is the prelude to his story.

The heartbreaking true story of a love that transcended tragedy. On 1 May 2000 Hasso von Bredow's life was forever changed. The young and active father of three suffered a massive stroke at the base of his brainstem, leaving him totally paralysed and unable to speak. With his mind as cognitive and as active as it had always been, his body became his painful prison. IN THE BLINK OF AN EYE is Hasso's moving and life-affirming memoir. At 42 Hasso had to come to terms with a life 'locked in', being dependent on others for every breath, but worst of all, losing his most precious of possessions: his voice. The only way Hasso could communicate with the world was by blinking his eyes. And using coded blinking and state of the art technology, he wrote this incredibly moving memoir letter by letter, helped only by his wife and carer, Catherine.

A vivid and compelling memoir recounting the real lives, loves and friendship of 1940s Soho and its working girls. Barbara Tate was 17 when she heard the whispered word that would change her life: Soho. It would take four years for Barbara to escape her loveless home but when she finally made it to the forbidden streets of Soho - just as London was recovering from the trauma of the second world war - things would never be the same again. There the naive Barbara meets the beautiful and capricious Mae. When she takes a job as Mae's maid, Barbara imagines she'll be housekeeping. But down a shabby backstreet, Barbara discovers the secret lives of Soho's working girls. An astonishing world full of fierce friendships and bitter rivalries, dangerous men and desperate measures, Barbara soon learns that taking the money from a staggering supply of punters and making copious amounts of tea are only the bare essentials. She will need to be nursemaid, protector and confidante to impossible, adorable, self-destructive Mae.

Bug Alert Description:
Changing the startup form's name in a VB WinForms app does not update the "Startup form" #4517
Explanation: In the latest Visual Basic update on GitHub, Microsoft accidentally introduced a significant bug that you should be aware of. In the Visual Basic project properties dialog on one of the tabs

(Application), is a drop down box for selecting the "startup object". This can be either a Main method or a System.Windows.Forms instance (or System.Windows.Window for WPF). When you do a rename on a form (say from the code editor in source or from the solution explorer) currently set as the startup form the rename doesn't cascade to the startup object project property cause the project to enter an invalid state where the user must now manually reset this project property from the now nonexistent Form to the new name. This is a huge annoyance. The fix for the bug (until Microsoft addresses) can be found here: <http://www.jamesfoxall.com/teach-visual-basic-2015-errata/>
