Online Library Ladies Guide

In this highly anticipated sequel to the New York Times bestselling *The Gentleman's Guide to Vice and Virtue*, Felicity Montague must use all her womanly wits and wiles to achieve her dreams of becoming a doctor—even if she has to scheme her way across Europe to do it. A must-have for fans of Mackenzi Lee's extraordinary and Stonewall Honor-winning novel. A year after an accidentally whirlwind grand tour with her brother Monty, Felicity Montague has returned to England with two goals in mind—avoid the marriage proposal of a lovestruck suitor from Edinburgh and enroll in medical school. However, her intellect and passion will never be enough in the eyes of the administrators, who see men as the

Online Library Ladies Guide

sole guardians of science. But then a window of opportunity opens—a doctor she idolizes is marrying an old friend of hers in Germany. Felicity believes if she could meet this man he could change her future, but she has no money of her own to make the trip. Luckily, a mysterious young woman is willing to pay Felicity's way, so long as she's allowed to travel with Felicity disguised as her maid. In spite of her suspicions, Felicity agrees, but once the girl's true motives are revealed, Felicity becomes part of a perilous quest that leads them from the German countryside to the promenades of Zurich to secrets lurking beneath the Atlantic.

"[Manda] Collins is a delight" (Elizabeth Hoyt) in this fun and flirty historical rom-com, where an intrepid female reporter

Online Library Ladies Guide

matches wits with a serious, sexy detective -- perfect for fans of Tessa Dare, Julia Quinn, and Netflix's Enola Holmes!

England, 1865: Newspaper columnist Lady Katherine Bascomb finds herself the subject of speculation when her latest article leads to an arrest in the murders plaguing London. The English believe women ought not to write about such vulgar things as crime, and a particularly attractive detective inspector is incensed that she's interfered with his investigation. To escape her sudden notoriety, Katherine heads to the country--only to witness a murder upon her arrival. Detective Inspector Andrew Eversham is appalled when Lady Katherine entangles herself in one of his cases--again. Her sensationalist reporting already nearly got him kicked off the police force, and he'll be damned if he permits

Online Library Ladies Guide

her to meddle a second time. Yet, her questions are awfully insightful, and he can't deny his attraction to both her beauty and brains. As the clues point to a dangerous criminal, the two soon realize their best option is working together. But with their focus on the killer lurking in the shadows, neither is prepared for the other risk the case poses-to their hearts.

A complete manual for those who desire to understand the rules of good breeding, the customs of good society, and to avoid incorrect and vulgar habits. Such as: Clear and Comprehensive Directions for Correct Manners, Dress, and Conversation; Instructions for Good Behavior at Dinner Parties, and the Table, with Hints on the Art of Carving and Taking Wine at Table Together with the Etiquette of the Ball

Online Library Ladies Guide

and Assembly Room, Evening Parties Department in the Street and when Traveling And the Usages to be Observed when Visiting or Receiving Calls In addition to this readers will also master the etiquette of courtship, marriage, domestic duties, and fifty-six rules to be observed in general society.

In this exciting historical mystery debut set in Victorian England, a wealthy young widow encounters the pleasures—and scandalous pitfalls—of a London social season . . . Frances Wynn, the American-born Countess of Harleigh, enjoys more freedom as a widow than she did as a wife. With her young daughter in tow, Frances rents a home in Belgravia and prepares to welcome her sister, Lily, arriving from New York—for her first London season. But no sooner has Frances

Online Library Ladies Guide

begun her new life than the Metropolitan police receive an anonymous letter implicating Frances in her husband's death. Frances assures Inspector Delaney of her innocence, but she's also keen to keep him from learning the scandalous circumstances of Reggie's demise. As fate would have it, her dashing new neighbor, George Hazelton, is one of only two other people aware of the full story. While busy with social engagements on Lily's behalf, and worrying if Reggie really was murdered, Frances rallies her wits, a circle of gossips, and the ever-chivalrous Mr. Hazelton to uncover the truth. A killer is in their midst and Frances must unmask the villain before Lily's season—and their lives—come to a most unseemly end . . . “This lighthearted debut tale of mystery, love, and a delightful sleuth will leave you wanting

Online Library Ladies Guide

more—which is presumably just what Freeman had in mind.”
—Kirkus Reviews

With “elements of *The Bold Type*, *Mad Men*, and *The Devil Wears Prada*” (*Entertainment Weekly*), a young woman navigates a tricky twenty-first-century career—and the trickier question of who she wants to be—in this savagely wise debut novel Casey Pendergast is losing her way. Once a book-loving English major, Casey lands a job at a top ad agency that highly values her ability to tell a good story. Her best friend thinks she’s a sellout, but Casey tells herself that she’s just paying the bills—and she can’t help that she has champagne taste. When her hard-to-please boss assigns her to a top-secret campaign that pairs literary authors with

Online Library Ladies Guide

corporations hungry for upmarket cachet, Casey is both excited and skeptical. But as she crisscrosses America, wooing her former idols, she's shocked at how quickly they compromise their integrity: A short-story writer leaves academia to craft campaigns for a plus-size clothing chain, a reclusive nature writer signs away her life's work to a manufacturer of granola bars. When she falls in love with one of her authors, Casey can no longer ignore her own nagging doubts about the human cost of her success. By the time the year's biggest book festival rolls around in Las Vegas, it will take every ounce of Casey's moxie to undo the damage—and, hopefully, save her own soul. Told in an unforgettable voice, with razor-sharp observations about everything from feminism to pop culture to social media, A

Online Library Ladies Guide

Lady's Guide to Selling Out is the story of a young woman untangling the contradictions of our era and trying to escape the rat race—by any means necessary. Praise for A Lady's Guide to Selling Out “Bitingly funny . . . [Sally] Franson's snappy debut nimbly skewers the high-flying world of advertising and romance in the age of social media. . . . Franson's irresistibly flawed heroine holds her own as she strives to find honesty, meaning, and even love in a demanding world, resulting in an addictive, escapist novel.”—Publishers Weekly “A high-spirited heroine loses herself in a vortex of modern striving in this debut novel. . . . Come for the hilarious narration, stay for the whirlwind plot, luxuriate in the satirical gleam.”—Kirkus Reviews “A wry, observant take on career success and ambition.”—New York

Online Library Ladies Guide

Post “A book lover is torn between a cushy gig and . . . well, her soul, basically.”—Cosmopolitan

Hard-drinking petty thief Dellaria Wells is down on her luck in the city of Leiscourt -- again. Then she sees a want ad for a female bodyguard, and she fast-talks her way into the high-paying job. Along with a team of other women, she's meant to protect a rich young lady from mysterious assassins. At first Delly thinks the danger is exaggerated, but a series of attacks shows there's much to fear. Then she begins to fall for Winn, one of the other bodyguards, and the women team up against a mysterious, magical foe who seems to have allies everywhere.

Online Library Ladies Guide

Nava Atlas presents twelve celebrated women authors and draws on their diaries, letters, memoirs, and interviews to show how they expressed their views on the subjects of importance to every writer, from carving out time to write, to conquering their inner demons, to developing a "voice," to balancing the demands of family life with needs to write. Atlas provides her own illuminating commentary as well and reveals how the lessons of classic women writers of the past still resonate with women writing today.

The adventurous Countess Harleigh finds out just how far some will go to safeguard a secret in Dianne Freeman's latest witty and delightful historical mystery . . . Though American by birth, Frances Wynn, the now-widowed

Online Library Ladies Guide

Countess of Harleigh, has adapted admirably to the quirks and traditions of the British aristocracy. On August twelfth, otherwise known as the Glorious Twelfth, most members of the upper class retire to their country estates for grouse-shooting season. Frances has little interest in hunting—for birds or a second husband—and is expecting to spend a quiet few months in London with her almost-engaged sister, Lily, until the throng returns. Instead, she's immersed in a shocking mystery when a friend, Mary Archer, is found murdered. Frances had hoped Mary might make a suitable bride for her cousin, Charles, but their courtship recently fizzled out. Unfortunately, this puts Charles in the spotlight—along with dozens of others. It seems Mary had countless notes hidden in her home, detailing the private

Online Library Ladies Guide

indiscretions of society's elite. Frances can hardly believe that the genteel and genial Mary was a blackmailer, yet why else would she horde such juicy tidbits? Aided by her gallant friend and neighbor, George Hazelton, Frances begins assisting the police in this highly sensitive case, learning more about her peers than she ever wished to know. Too many suspects may be worse than none at all—but even more worrying is that the number of victims is increasing too. And unless Frances takes care, she'll soon find herself among them . . . “Engrossing . . . Freeman takes a witty look at Victorian polite society. Historical mystery fans will be delighted.” —Publishers Weekly

For women who enjoy hiking, camping, backpacking, and

Online Library Ladies Guide

other outdoor recreation or those inspired by Cheryl Strayed's *Wild*, this is the definitive guide to being a woman in the great outdoors. This friendly handbook covers the matters of most concern to women, from "feminine functions" in the wilderness to how to deal with condescending men, as well as the basics of wilderness survival tailored to women's unique needs. It includes gear lists in addition to advice for camp setup, fire building, food and water, safety, weather, and navigation.
