The life of Miyamoto Musashi (1584-1645), Japan's greatest samurai swordsman, is chronicled in this first authoritative, "lively and balanced" ("Library Journal"), English-language biography of the impressive warrior. Included is original artwork by Musashi plus Glossary, map, and Appendices.

Miyamoto Musashi (1584?1645) was the legendary samurai known throughout the world as a master swordsman, spiritual seeker, and author of the classic book on strategy, the Book of Five Rings. Over 350 years after his death, Musashi and his legacy still fascinate us and continue to inspire artists, authors, and filmmakers. Here, respected translator and expert on samurai culture William Scott Wilson has created both a vivid account of a fascinating period in feudal Japan and a portrait of the courageous, iconoclastic samurai who wrestled with philosophical and spiritual ideas that are as relevant today as they were in his time. For Musashi, the way of the martial arts was about mastery of the mind rather than simply technical prowess--and it is this path to mastery that is the core teaching in his Book of Five Rings. This volume includes supplemental material on Musashi's legacy as a martial arts icon, his impact on literature and film, and the influence of his Book of Five Rings.

The first biography of this world-renowned and undefeated swordsman, The Lone Samurai follows the dramatic escapades of Musashi - author of The Book of Five Rings - from his initial victory at the age of 13 to his early 'retirement' at 30 to pursue a more spiritual path. The first biography of this world-renowned and undefeated swordsman, The Lone Samurai follows the dramatic escapades of Musashi - author of The Book of Five Rings - from his initial victory at the age of 13 to his early 'retirement' at 30 to pursue a more spiritual path. Wilson provides a riveting account of

Miyamoto Musashi, who lived in Japan in the fifteenth century, was a renowned samurai warrior. He has become a martial arts icon, known not just as an undefeated dueler, but also as a master of battlefield strategy. Kenji Tokitsu turns a critical eye on Musashi's life and writings, separating fact from fiction, and giving a clear picture of the man behind the myth. Musashi's best-known work, The Book of Five Rings, provides timeless insight into the nature of conflict. Tokitsu translates and provides extensive commentary on that popular work, as well as three other short texts on strategy that were written before it, and a longer, later work entitled "The Way to Be Followed Alone." Tokitsu is a thoughtful and informed guide, putting the historical and philosophical aspects of the text into context, and illuminating the etymological nuances of particular Japanese words and phrases. As a modern martial artist and a scholar, Tokitsu provides a view of Musashi's life and ideas that is accessible and relevant to today's readers and martial arts students.

A full biography of Japanese swordsman Miyamoto Musashi

In "A Book of Five Rings," Miyamoto Musashi takes the reader into a world filled to the brim with devotion, self-respect, discipline, honesty and purity of thought. Written originally for warriors and samurai in a completely different time and culture, Musashi's book provides a remarkable source of inspiration for self-development today. His teachings are concise and to the point. He uses phrases like "you must understand this" and "you must practice diligently" and explains only general, but unquestionable and fundamental, concepts of the Way of the Warrior. While some of his guidelines are not directly applicable in our time and age, those about striving to achieve improvement on the inside as well as the outside couldn't be more on target. Taken literally this book is about how to become an efficient, albeit enlightened, killer. It's value comes from reading between the lines--lines which speak volumes.

Miyamoto Musashi, the legendary samurai, is known throughout the world as a master swordsman, a spiritual seeker, and the author of the classic Book of Five Rings. This graphic novel treatment of his amazing life is both a vivid account of a fascinating period in feudal Japan and a portrait of courageous, iconoclastic samurai who wrestled with philosophical and spiritual ideas that are as relevant today as they were in his time. For Musashi, the way of the martial arts was about mastery of the mind rather than simply technical prowess. Over 350 years after his death, Musashi still intrigues us--and his Book of Five Rings is essential reading for students of all martial arts and those interested in cultivating strategic mind.

*Includes pictures *Includes excerpts of contemporary accounts *Includes a bibliography for further reading "Study strategy over the years and achieve the spirit of the warrior. Today is victory over yourself yesterday; tomorrow is your victory over lesser men." - Miyamoto Musashi Samurai Sasaki Kojiro was growing increasingly impatient as he waited on the beach at Funa Island in Kokura. An undefeated master swordsman, he was tense and his anger was getting the better of him. He was on the small island for a duel, a clash of steel between two swordsmen where a man's life could end in seconds. The duel was the ultimate test of the swordsman, and Sasaki, one of the best in Japan, was known as "The Demon of the Western Provinces." However, the Sasaki on the beach did not resemble the fierce warrior of his reputation as he paced back and forth, frustrated by the tardiness of his opponent: the enigmatic Miyamoto Musashi. Sasaki knew nothing about Musashi except that the mysterious swordsman was undefeated, because aside from that, little was known about Musashi's style or lineage. Although Musashi did have a reputation for keeping a rather unkempt appearance and an unpredictable personality, the mysterious swordsman also was the subject of conflicting stories about his courage and prowess. Though he was understandably confident, Sasaki did not underestimate his opponent, who finally arrived to the island on a small boat. Sasaki noticed something shocking: Musashi did not bring a sword. Instead Musashi, who appeared as if he had just rolled out of bed, brought a wooden oar carved into a makeshift sword as his dueling weapon. Sasaki was furious, and though he was beyond insulted, he drew his sword and prepared to fight to the death. The duel between the two masters thus began with one of them having no sword at all. Little may have been known about Musashi at the time, but centuries later, he is the most infamous and renowned warrior in Japanese history. As a veteran of the Battle of Sekigahara (1600), Naiwa (1615), and the Shimabara Rebellion in Hizen (1637-1638), Musashi was a seasoned battlefield soldier, went undefeated in over 60 duels, and authored an essential book on strategy, Go Rin No Sho (The Book of Five Rings). He invented a swordsmanship style called Hi-no-shita Kaizan Shimmiei Miyamoto Musashi Masana-ryu, a two sword style that some historians think Musashi may have come up with after being influenced by the two-handed drumming of Japanese drummers. His style has continued to be an influence on the practice of kendo into the modern era. Adding to his legend was the fact that Musashi did not look like a typical samurai warrior. He was widely reported to have never bathed, never washed his hair, and did present himself like a man with a position in the ruling samurai class. This man, considered to be Japan's finest swordsman, looked more like a wandering vagabond than an elegant, aristocratic warrior. The typical samurai employed by daimyos were expected to be properly dressed and groomed, with clean clothes and neatly cut hair. Some samurai even applied rouge to their cheeks to appear healthy and ready to die for their lords. Musashi, on the other hand, seemed to have appeared out of thin air, claiming no famous teacher, school, or lineage. He also never entered long term service with a daimyo, married, or settled down (although he did serve a number of different prestigious clans). Instead, he wandered throughout the island of Japan as a free spirit, apparently valuing observation and intuition far above technique. Shockingly, he also rarely used a real sword - while he respected the sword, he was not beholden to it and often used whatever was available to duel an opponent. In the same vein, he taught his own students to avoid preferences or to rely on any one tool. Put simply, Musashi was a Japanese warrior like no other.

The classic samurai novel about the real exploits of the most famous swordsman. Miyamoto Musashi was the child of an era when Japan was emerging from decades of civil strife. Lured to the great Battle of Sekigahara in 1600 by the hope of becoming a samurai--without really knowing what it meant--he regains consciousness after the battle to find himself lying defeated, dazed and wounded among thousands of the dead and dying. On his way home, he commits a rash act, becomes a fugitive and brings life in his own village to a standstill--until he is captured by a weaponless Zen monk. The lovely Otsu, seeing in Musashi her ideal of manliness, frees him from his tortuous punishment, but he is recaptured and imprisoned. During three years of solitary confinement, he delves into the classics of Japan and China. When he is set free again, he rejects the position of samurai and for the next several years pursues his goal relentlessly, looking neither to left nor to right. Ever so slowly it dawns on him that following the Way of the Sword is not simply a matter of finding a target for his brute strength. Continually striving to perfect his technique, which leads him to a unique style of fighting with two swords simultaneously, he travels far and wide, challenging fighters of many disciplines, taking nature to be his ultimate and severest teacher and undergoing the rigorous training of those who follow the Way. He is supremely successful in his encounters, but in the Art of War he perceives the way of peaceful and prosperous governance and disciplines himself to be a real human being. He becomes a reluctant hero to a host of people whose lives he has touched and been touched by. And, inevitably, he has to pit his skill against the naked blade of his greatest rival. Musashi is a novel in the best tradition of Japanese story telling. It is a living story, subtle and imaginative, teeming with memorable characters, many of them historical. Interweaving themes of unrequited love, misguided revenge, filial piety and absolute dedication to the Way of the Samurai, it depicts vividly a world Westerners know only vaguely. Full of gusto and humor, it has an epic quality and universal appeal. The novel was made into a three-part movie by Director Hiroshi Inagai. For more information, visit the Shopping area

IN THE EPIC HISTORICAL NOVEL SWORD OF HONOR, DAVID KIRK CONTINUES THE SAGA OF MUSASHI MIYAMOTO, THE GREATEST SWORDSMAN IN JAPANESE HISTORY, AS HE JOURNEYS TO THE ANCIENT CITY OF KYOTO TO FIGHT FOR HIS LIFE AND HIS IDEALS. Having survived the cataclysmic battle of Sekigahara, which established the mighty Tokugawa Shogunate, young Musashi Miyamoto travels through Japan determined to proclaim his revolutionary epiphany that the "way of the samurai," the ancient code that binds warriors to their masters, needs to be abolished. But during the battle Musashi insulted an adept of the powerful Yoshioka school, and a price has been put on his head. Musashi is drawn to Kyoto, domain of the Yoshioka, driven by anger and certain that he will deal a crushing blow to the traditional samurai dogma by destroying the school. Musashi will learn, however, that the capital of the nation is rife with intrigue and potential rebellion against the newly established government, a struggle into which he unwittingly enters. Among other outcasts, Musashi will find the worth of his spectacular skill with the sword weighed against the deep cunning of manipulative Lords, and must make his reckoning with the Yoshioka, the way of the samurai, and ultimately his own nature. Only then will he be able to take one step closer to becoming the wise old sage who wrote The Book of Five Rings. Sword of Honor seamlessly blends meticulous research, mesmerizing action sequences, and a driving narrative to bring this extraordinary figure to life.
