Master Dentistry is a
very good book for all
students who aim to
qualify in dentistry.

Amazon.co.uk review

Bought this book and

its counterpart,
Volume 2, in my 5th
yr of dentistry at
Liverpool and found
them to offer a very
good overview of the
degree course.
Definitely worth
buying for finals
revision and in
retrospect would've
been useful
throughout all 5 years
of my degree.
