This book makes a critical analysis of West Bengal's Left Front regime (1977-2011) and explores the causes of its collapse under three segments; inquiry into issues of political management; evaluation of various policy initiatives; and examination of development in civil society. Please note: Taylor & Francis does not sell or distribute the Hardback in South Asia.

Lydia Baker has been fighting a war in her own mind for as long as she can

remember. Until now. She's given up. Deemed by herself as beyond repair, Lydia can no longer take on the demons in her mind. She's closed off and thinks her only way out is to change. Change herself, change the opinion of others, and squash down the very things that make her Lydia Baker. Callum Reeves messed up. He took the most beautifully damaged girl he had ever seen and handed her off for other people to deal with. He let her trust him, after everything, and then let her down. Racked with guilt, he does the only thing he can. He fights her biggest demon for her. Will it be enough? Can Callum weave his way back into Lydia's heart? Can Lydia find her self again? They're both bruised, but can they heal each other and finally find the love they've been craving?

Obi is the world's longest serving dictator, Equatorial Guinea's President Teodoro Obiang Nguema Mbasogo. Obi's Nightmare is just that, a comic about Obi's worst day ever. What would be the worst possible thing that could happen to Obi? Would it be for his heir apparent son's \$50 million collection of supercars to be seized by French authorities? What if the country's vast oil reserves were to dry up, or what if he was forced to share power? Would it be the results of a truly democratic election, or the worsening of his already fragile health? No, answer the pseudonymous authors of the first ever Equatoguinean graphic novel. The worst possible thing that could happen to President Obiang would be to endure the life of an average Guinean citizen. Welcome to Obi's Nightmare, the riches-to-rags tale of Obiang's living out a single ordinary day as an ordinary Guinean, in a country ravaged by poverty and squalid living conditions for all but a very select few of Obi's former associates, despite boasting the continent's highest GDP. This no-holds-barred comic dares its readers to laugh at the man who has declared himself above both international law and common decency, by taking a comical but critical look at the everyday life of the average Guinean. Working together with EG Justice, Phoneme produced the Spanish-language original version of *La Pesadilla de Obi*, which has been smuggled into Equatorial Guinea to challenge the dictatorship and promote democracy.

Wise words from great minds: "Revisit this colorful read whenever you need a pick-me-up—or a push—to get out there and make the most of your day." —Real Simple
A quote book like no other, this thought-provoking collection compiles the timeless wisdom of great original minds— from Marie Curie to Stephen King, Joan of Arc to Jack Kerouac, Oscar Wilde to Harriet Tubman—brilliantly hand-lettered by beloved indie artist Lisa Congdon. You'll find enlightening insights ("Wisdom begins in wonder"— Socrates), stirring calls to action ("Leap and the net will appear"—John Burroughs), and stimulating encouragements ("Be curious, not judgmental"—Walt Whitman) beautifully illuminated on every page. A delightful reminder to make the most of life, *Whatever You Are, Be a Good One* is perfect for recent graduates, creative thinkers, and anyone looking for a little inspiration. "An impossibly charming compendium . . . The common thread underpinning these quotes—which include such beloved luminaries as Albert Camus, Simone de Beauvoir, Henry James, Anne Lamott, Soren Kierkegaard, and Leo Tolstoy—is Congdon's own sensibility about what it means to live with kindness and integrity, to cherish beauty and the creative spirit, and ultimately to be a good human being." —Brain Pickings
