"My Darling" by Amanda Robson tries to be a psychological thriller, but the thrill simply isn't there, and the psychological part is also poorly handled. The stories of two dysfunctional families are intertwined in this novel: abusive husband and father in the past, paranoid and murderous wife in the present.

Though longer than most and somehow more sober in tone, Britisher Banks' first-person telling smacks right off of those dithery American confidences&#8212;which, while inviting instant identification, can also put off readers who don't want to be identified with the heroine's gushing descriptions and trivial concerns. (This one's too-pale eyelashes have been "'driving me mad"' for years.) But ...

**INSTANT NEW YORK TIMES BESTSELLER** "Russell manages a brutal originality. . . . [an] exceedingly complex, inventive, resourceful examination of harm and power." —The New York Times Book Review, Editors' Choice "To call this book a 'conversation piece' or 'an important book' feels belittling . . . [it] is so much more than that. It's a lightning rod. A brilliantly crafted novel."—The Washington Post A most anticipated book by The New York Times • USA Today • Entertainment Weekly • Marie Claire • Elle • Harper's Bazaar • Bustle • Newsweek • New York Post • Esquire • Real Simple • The Sunday Times • The Guardian Exploring the psychological dynamics of the relationship between a precocious yet naïve teenage girl and her magnetic and manipulative teacher, a brilliant, all-consuming read that marks the explosive debut of an extraordinary new writer. 2000. Bright, ambitious, and yearning for adulthood, fifteen-year-old Vanessa Wye becomes entangled in an affair with Jacob Strane, her magnetic and guileful forty-two-year-old English teacher. 2017. Amid the rising wave of allegations against powerful men, a reckoning is coming due. Strane has been accused of sexual abuse by a former student, who reaches out to Vanessa, and now Vanessa suddenly finds herself facing an impossible choice: remain silent, firm in the belief that her teenage self willingly engaged in this relationship, or redefine herself and the events of her past. But how can Vanessa reject her first love, the man who fundamentally transformed her and has been a persistent presence in her life? Is it possible that the man she loved as a teenager—and who professed to worship only her—may be far different from what she has always believed? Alternating between Vanessa's present and her past, My Dark Vanessa juxtaposes memory and trauma with the breathless excitement of a teenage girl discovering the power her own body can wield. Thought-provoking and impossible to put down, this is a masterful portrayal of troubled adolescence and its repercussions that raises vital questions about agency, consent, complicity, and victimhood. Written with the haunting intimacy of The Girls and the creeping intensity of Room, My Dark Vanessa is an era-defining novel that brilliantly captures and reflects the shifting cultural mores transforming our relationships and society itself.

"The Jungle Book" is a collection of stories and fables, using animals in an anthropomorphic manner to give moral lessons. The verses of The Law of the Jungle, for example, lay down rules for the safety of individuals, families and communities. The best-known of them are the three stories revolving around the adventures of an abandoned "man cub" Mowgli who is raised by wolves in the Indian jungle. The most famous of the other four stories are probably Rikki-Tikki-Tavi and Toomai of the Elephants. "The Second Jungle Book" is a sequel which features five stories about Mowgli and three unrelated stories, all but one set in India, most of which Kipling wrote while living in Vermont. "The Man Who Would Be King" is a novella about two British adventurers in British India who become kings of Kafiristan, a remote part of Afghanistan. The story was inspired by the exploits of James Brooke, an Englishman who became the first White Rajah of Sarawak in Borneo. "Kim" is and adventure novel about the orphaned son of an Irish soldier and a poor Irish mother who have both died in poverty. Living a vagabond existence in India under British rule in the late 19th century, Kim earns his living by begging and running small errands on the streets of Lahore. "The Just So Stories" are a highly fantasized origin stories, especially for differences among animals, they are among Kipling's best known works. "The Light That Failed" "Captain Courageous" "Plain Tales from the Hills" Rudyard Kipling (1865–1936) was an English short-story writer, poet, and novelist. He wrote tales and poems of British soldiers in India and stories for children. He is regarded as a major innovator in the art of the short story; his children's books are classics of children's literature.

A NYLON Best Book of the Month "Rachel Long has miraculous command of the line, in all its trickery and grace and gasps, showcasing a truly refreshing voice with observant, deeply felt insight." —Morgan Parker, author of Magical Negro Named a Best Poetry Book of 2020 by The Guardian Shortlisted for the Rathbones Folio Prize, the Costa Poetry Award, and the Forward Prize for Best First Collection Each poem in Rachel Long’s award-winning My Darling from the Lions has a vivid story to tell—of family quirks, the perils of dating, the grip of religion, or sexual awakening—stories that are, by turn, emotionally insightful, politically conscious, wise, funny, and outrageous. Told in three sections, it’s a book about growing up, falling in love with not-great men, and girlhood; a collection that speaks to femininity, divinity, familial shame, Black identity, and modern culture. Long reveals herself as a razor-sharp and original voice on the issues of sexual politics and cultural inheritance that polarize our current moment. With a fresh commitment to the power of the individual poem, her collection offers immediate, wide-awake poetry that entertains royally, without sacrificing a note of its urgency or remarkable skill. My Darling from the Lions marks the arrival of a thrilling new voice and presence in poetry.
