Today

Moving on after the death of a spouse presents a challenge for both men and women. We have lost our partner, confidant, lover, traveling and social companion. How we move forward or on with life often is dependent on our age, the length of time we were married and the support we have of family and friends.

me when I was in my early twenties and I saw our dead cat Hunter who had just been killed by a car.

Is There Life After Death? - Anna Sayce

For love is as strong as death, a love no torrent can drown. Our love is as strong as death. It never dies—it continues into life eternal, and my faith tells me that one day I will see Aaron again. That is a faith I can believe in. This article appeared in the June 2009 issue of U.S. Catholic (Vol. 74, No. 7, page 22).

a bit less lonely.

My Life After Death Project - Keeping it real...life ...

Don't feel guilty about getting on with your life following the death of your husband. Spend time doing things you enjoy and pursuing your goals. This gives you something to focus your energy on, says Christensen. If your social life revolved around your husband when he was alive, you may need to push yourself beyond your comfort zone.
