Being meticulous and accurate about recording sources and direct quotations is an important part of academic discipline, as well as helping to avoid accidental plagiarism. This means: - always recording the necessary details for any source you use as soon as you start taking notes. Don't wait till you've finished reading - you may forget, or misplace the text.

Functional and realistic without being fussy, these toy trucks boast wheels that roll, buckets that lift, and winches that pull. The 12 projects include dump trucks, tow trucks, log loaders, tankers, tractors, forklifts and a monster truck.

Wooden toy trucks are great projects both for the woodworker who builds them as well as for the end user who'll derive hours of pleasure playing with them. In this collection of 10 working vehicles, author Les

Neufeldt has selected toys that are consistently rated by toy manufacturers and retailers as top sellers. All the toys are meant to be used and played with, so they are sturdily built and can be made by woodworkers of all skill levels. The toys are grouped into three sections: four giant machines, including a dump truck and loader; three midsize working trucks; and an eclectic group of vehicles, including a school bus in monster-truck mode and an articulated 8-wheel tractor with trailer.
