This new edition has been updated to include details on independent driving (which is being introduced into the practical driving test from October 2010), additional information on emergency diversions and travelling through road works, and advice on overtaking slow-moving vehicles, plus other key revisions. The Official DSA Guide to Driving - the essential skills, together with The Official Highway Code and Know Your Traffic Signs, provides the source material for learner car driver and driving instructor theory tests, being referenced throughout with the latest official DSA theory test titles for car drivers.

This publication is the 7th edition of the official guide to preparing for the passenger carrying vehicle (PCV) test, and contains detailed professional guidance for the safe driving of buses and coaches. It is compiled by the Driving Standards Agency and sets out guidance on the official PCV syllabus and practical test requirements, as well as on driving techniques for different vehicles and conditions. It provides a structured training approach to learning how to drive a bus or coach safely, including the professional attitude and skills required, information on EC and UK legal requirements, dealing with emergencies, eco-safe driving and dealing with traffic congestion, safety checks and minimum test vehicle requirements.

This Driving Standards Agency publication contains guidance on the official syllabus and practical test requirements for driving a large goods vehicle (LGV), as well as on driving techniques for different vehicles and conditions, load restraint, EC and UK legal requirements, working time and tachograph regulations, freight transport organisation, dealing with emergencies, new safety checks and minimum test vehicle requirements. This new edition includes information to help prepare for the extended theory and practical tests that link to the introduction of the Driver Certificate of Professional Competence (CPC) in September 2009. It supersedes the 7th edition (2005, ISBN 9780115526565).
