Operations Officers Guide Us Naval

This book is primarily a practical guide to leading and managing the Operations Department aboard a U.S. Navy warship. It is written for the Operations Officer who leads the department, but is a useful tool for anyone interested in how the Fleet works. To succeed in today's Navy, the Operations Officer must understand the global environment where our Navy operates as well as the organizational context of how

Operations Officer's Guide | U.S. Naval Institute

The chief of naval operations is the professional head of the United States Navy. The position is a statutory office held by an admiral who is a military adviser and deputy to the secretary of the Navy. In a separate capacity as a member of the Joint Chiefs of Staff, the CNO is a military adviser to the National Security Council, the Homeland Security Council, the secretary of defense, and the president. The current chief of naval operations is Admiral Michael M. Gilday. Despite the title, the C

Unrestricted Line Officers are those who are eligible for command of
ships, submarines, aircraft squadrons, fleets, and shore bases such
as naval bases and naval air stations. These are officers of the line
of the Regular Navy and Naval Reserve who are not restricted in the
performance of duty. Unrestricted Line Officers are the officers who
advance to become Admirals and command Naval ships and battle groups.
