Proverbs 18:21 tells us that the power of life and death is in our words, and nothing is more powerful than affirming who we are in Christ. Award-winning Gospel music artist Babbie Mason regularly shares with audiences worldwide a beautiful declaration she has written especially for women, and now this declaration is the basis for a powerful collection of daily devotions. Join Babbie in a thirty-day journey of encouragement and empowerment as you affirm your identity as a daughter of the Most High King. The devotions are grouped into four weekly themes: Identity – Who we are in Christ. Security – What we have because of Christ. Authority – What we can do through Christ. Possibility – How we can face each day with Christ. Each devotion includes a Scripture, reflection, prayer, and action step. These powerful devotions will help you to see that what matters is not what others and the world say about you but what God says about you in his Word—because that is the truth, and the truth is all that matters.

Church leaders understand that managing the day-to-day operations of a church can be challenging because of limited resources, managing volunteer labor, and supporting the needs of the congregation. Smart Church Management: A Quality Approach to Church Administration, Third Edition is an updated guide for managing the resources of a church - which is people, time and money. This book provides tools and examples for decision making and problem-solving for church administration that is easy to understand and more importantly, quick to implement! This book also includes discussion questions to provoke thought and discussion for church teams. This book is ideal for ministry students, church boards, church leadership and church administrators.

Great marriages don't just happen--they're made, intentionally, day by day. Yet most of us enter the covenant of marriage thinking that the role of spouse will be easy, natural, effortless. Rarely is this true. In fact, the number one cause of divorce isn't adultery or finances or disagreements. It's apathy--a lack of intentional emotional, physical, and mental investment in the relationship. With engaging stories and clear, simple language, pastor Kevin A. Thompson explains the three critical roles of a spouse--friend, partner, and lover--and shows how to nurture those roles in order to keep a marriage healthy and strong. Using solid biblical principles, he helps couples understand how to grow their friendship, be a supportive partner through the good times and the bad, and develop a healthy and satisfying sex life. Friends, Partners, and Lovers offers essential insight for couples at any stage of marriage but will be especially helpful to those who are struggling and those who are engaged or newly married and looking to start their marriage on strong footing.

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, The Accountant Beside You, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.

Pastors are tasked with the incredibly demanding job of caring for the spiritual, emotional, and, at times, physical needs of their people. While seminary is helpful preparation for many of the challenges pastors face, there's far more to pastoral ministry than what can be covered in the classroom. Designed as a reference guide for nearly every situation a pastor will face, this comprehensive book by seasoned pastors Kent Hughes and Doug O'Donnell is packed full of biblical wisdom and practical guidance related to the reality of pastoral ministry in the trenches. From officiating weddings to conducting funerals to visiting the sick, this book will equip pastors and church leaders with the knowledge they need to effectively minister to their flocks, both within the walls of the church and beyond.

Drawing on conversations with hundreds of women about their genitalia, the author presents a collection of performance pieces from her one-woman show of the same name.

Recounts lessons the author learned through taking on challenging and unique opportunities, offering commentary on the inherent compatibility of adventure and the Christian life as well as love's ability to encourage and inspire action.
